

Hampton Infant School and Nursery

Child Friendly Behaviour Policy

Our School – What we want it to look like

Our school is a happy school where being respectful is very important. It is a school where we celebrate our differences and achievements together. We want everyone to behave in a friendly and inclusive way. Everyone at our school is equal and we should treat ourselves and others with respect. This way everyone can come to school feeling safe and happy.

How should we behave and why?

We should have pride in our learning and should try hard to make the right choices. We should always do our best to respect each other, everyone's views and opinions, our property, ourselves and our learning environment. With this, we can learn in a calm, friendly and exciting environment without disruption to our lessons. Using positive behaviour towards each other will create a learning space where we can follow instructions, work hard and be the best we can be.

Our Bee Rules

At Hampton Infant School and Nursery, we have 5 bee rules that we always aim to achieve. These rules help us to have a happy and successful time at school. They are:

Be kind to others

Be a good listener

Be respectful towards yourself, others and the school environment

Be hard working and challenge yourself

Be responsible
