

Year 4 Writing Award – Silver Challenge

Complete your piece of writing by hand or on a computer and hand it in to your class teacher. Once they have read it and seen that you have challenged yourself to complete an excellent piece of writing, you will receive your Silver award in your year group meeting! You should aim to complete at least half a page and include the features of writing that you have been learning about in your English lessons.

Remember to write your name and your class somewhere on your piece of work.

You have discovered a new planet and in one year, people will be arriving to live on it.

Tell the story of how you made the discovery, what you have named your planet and what life will be like on it.
