

Year 4 Writing Award – Gold Challenge

Complete your piece of writing by hand or on a computer and hand it in to your class teacher. Once they have read it and seen that you have challenged yourself to complete an excellent piece of writing, you will receive your Gold award in a whole school assembly! You should aim to complete at least half a page and include the features of writing that you have been learning about in your English lessons.

Remember to write your name and your class somewhere on your piece of work.

You have just discovered a new species. Describe what it is, it's appearance, habitat, diet and why it hasn't been discovered until now.
