Our parent consultation sessions this academic year will again be blended. Our consultations in the Autumn Term were in person whilst the consultations in Spring term will be virtual.

This consultation will be an opportunity for you to discuss your child's progress this year and areas for development.

We have allocated 9 minutes per appointment, however, if you have matters of a sensitive nature to discuss, please make a separate appointment with the class teacher for an alternative date via email.

The online booking system allows you to choose your own appointment times with the teacher and you will receive an email confirming your appointment.

This system **goes live on Monday 23rd February at 7.30pm.**

Please visit [school cloud](#) to book your appointments; login with the following information:

*Pupil's First Name*                      *Pupil's Surname*                      *Date of Birth*

**The online booking system will close on Wednesday 4th March at 6:30pm.** Should you wish to make any changes after this date please contact the school office.

If you are unable to attend these virtual appointments, please email the school office to book an alternative appointment which will be a 9 minute telephone call.

If your child has a SEND support plan, teachers will share this during the meeting. If required you will also be offered an additional consultation with a member of the inclusion team at a later date. A separate letter with details on how to book will follow after parents evening.
