

Hampton Infant School & Nursery

26th February 2026

Dear Year 1 Families,

We are enjoying travelling around the world this term and we are excited to announce that this will culminate in our Year 1 'World Wonders Day', which will take place on Wednesday 25<sup>th</sup> March.

'World Wonders Day' will be a fun-packed day, focusing on the different continents we have been learning about this term. This will involve the children carrying out various themed activities based on a country from each continent, as well as coming into school in international themed non-uniform clothes on that day. The children can dress in an outfit that represents any country in the world. This could be something as simple as wearing the colours of the country's flag, an international football shirt or traditional dress.

We would very much like to get the school community involved as we are proud to have many parents and carers from a variety of countries. If you, or a member of your family, would like to get involved in our World Wonders Day, we are asking for volunteers to share something from their country or culture with the year 1 children. This could be as simple as teaching the children some words or reading a story in your language, to showing them how to make a traditional food or dress in a traditional way. Please speak to your class teacher if you are able to help with this.

Alternatively, If you have any artefacts at home from different parts of the world it would be a great opportunity for your child to bring these in to share and discuss with their class. This could be a postcard, photograph, object or clothing, etc.

We hope your children are as excited as we are!

Thank you for your support.

The Year 1 Team
