Communication

Whilst we understand that parents like to see lots of photographs of their child and have frequent updates throughout the day and evening, we found we were not able to provide this. We have found ourselves in the position of disappointing some parents particularly around the quality or quantity of the photographs and the frequency of communication.

What you can expect from the school

- 1 message a day with a brief update
- 1 whole group photograph a day
- A Buzz special feature containing photo pages on their return.
- The Y6 yearbook which children receive at the end of the year will contain many photographs of the visit.

Return Journey

We will leave Adventure Bude at about 2pm on Friday 18th and will arrive back around 7.30pm

We will keep you informed via email of the progress of the coach so you can meet the children.

Cost

- Full payment of £462 needs to have been received by HJS by Friday 5th June 2026. This includes families who are being supported by Hampton Fund.
- Children will not be able to go if full payment has not been received by Friday 5th June 2026.
- Payments for Bude can be made through the Activities section on Arbor. If you have any queries about your balance owed please contact the school office.
