

Consultation on Proposed Changes to the School Day Timings

Dear Parents, Carers, Staff, Club and Wrap-around Care Providers,

We are writing to inform you of proposed changes to the timings school day at HISN and HJS. The Department for Education (DfE) has set an expectation for Key Stage 1 and 2 in mainstream state-funded schools to provide a 32.5-hour week, which equates to 6.5 hours per day. While this expectation is non-statutory, it is an important consideration within the Ofsted inspection framework.

Currently, HJS is compliant with this expectation, but HISN is not, which creates a potential area of concern for future inspections. To bring HISN into compliance, we are proposing new school day timings. These proposed changes are carefully designed to meet the DfE expectation while maintaining our highly successful 'soft start' approach and the necessary stagger of times between the two schools.

Proposed New School Day Timings

If approved, the new daily schedules would be as follows:

- **Hampton Infant School (Reception):** Soft start 8:30am - 8:40am; Finish 3:00pm (Daily length: 6 hours 20 minutes). HISN Nursery times will remain unchanged.
- **Hampton Infant School (Year 1 and 2):** Soft start 8:30am - 8:40am; Finish 3:10pm (Daily length: 6 hours 30 minutes). This proposal extends the day for these pupils by 25 minutes.
- **Hampton Junior School (Year 3,4,5 and 6):** Soft start 8:40am - 8:50am; Finish 3:20pm (Daily length: 6 hours 30 minutes).

This proposal involves a later start for pupils at HJS and extends the day by 5 minutes to maintain the difference in times which supports families to drop off and collect their children.

Important note for our staff: Contract hours for Learning Support Assistants will remain unchanged (8:30am until 3:00pm).

Important note for club providers: We are proposing that all of the clubs that run immediately after school would run from 3.10pm to 4.10pm at Hampton Infant School, and 3.20pm to 4.20pm at Hampton Junior School.

The intention is that a final decision will be made and communicated to stakeholders before the start of the Summer holidays, with a target start date of September 2026.
