**HPP Transition from KS1 to KS2**

Dear Year 2 Families,

We have developed a transition programme with Hampton Junior School aimed at ensuring that all children can feel confident and secure when they arrive in September to join Year 3. Only children who will be moving to HJS will attend the HPP new class morning and be assigned a reading buddy from year 3.

During the final half term, when the children are in year 2, there is a regular focus in class on transition as well as a planned timeline for the children to begin to get to know their new class teacher.

**Year 2 to Year 3 Transition Timeline**

<b>Tuesday 23rd June</b>	New year 3 teachers read a story to year 2 classes
<b>Monday 29th June</b>	Year 2 children to visit their reading buddies at HJS and take part in a playtime
<b>Tuesday 30th June</b>	New year 3 teachers read a story to year 2 classes and greet parents at pick up time.
<b>Wednesday 1st July</b>	Mr James will come to the year 2 assembly to answer any questions Year 2 may have about HJS
<b>Thursday 2nd July</b>	Year 2 to see year 6 production at HJS. (Pickup will be from HISN at the normal time)
<b>Monday 6th July</b>	HPP new class morning. This will be an opportunity for year 2 children to meet up with their reading buddies again during playtime. Please drop your child to school as normal and teachers will take the children down to the junior school in the morning.
<b>Friday 10th July 9 - 10am</b>	We will be holding an optional coffee morning at HJS to welcome current Y2 parents whose children will be moving to year 3 at HJS in September 2026. This will be an opportunity to meet the year 3 team and leaders at HJS. If you would like to attend, please complete this <a href="#">eForm</a> to let us know you will be there. If you have any questions that you would like to be answered during the presentation, please include them in your eForm response.
