

Thursday 9th July, 2026

Dear Year 6 Parents / Carers,

As part of our Food Technology curriculum, the children will be learning how to make either chicken or vegetarian fajitas. During the week of 13th July, the children will be learning about seasonal foods and will plan the ingredients they would like to go in their fajitas.

Below are the following dates when each class will be making fajitas:

Monday 13th July – 6B & 6C

Tuesday 14th July – 6K & 6W

The majority of the ingredients will be provided by the school, (including chicken, peppers, mushrooms, onions, spices, wraps and lime wedges) If your child would like additional toppings they may bring in up to 3 from the list below:

- Avocado (to make guacamole)
- Sweetcorn or any other vegetables
- Tomatoes or Salsa
- Sour cream or plain yoghurt
- **Cooked** halal chicken
- Salad
- Cheese

Please can these ingredients be in a clearly labelled tupperware or sandwich bag - there only needs to be a small amount of each. Your child will need to bring these ingredients in on the day their class is cooking.

If your child has any allergies or dietary restrictions we are unaware of, please speak to your child's class teacher as soon as possible, so that we can make safe alternative arrangements.

Thank you for your continued support.

The Year 6 Team
