Instructions for downloading your child's Tapestry journal

Dear parents/carers,

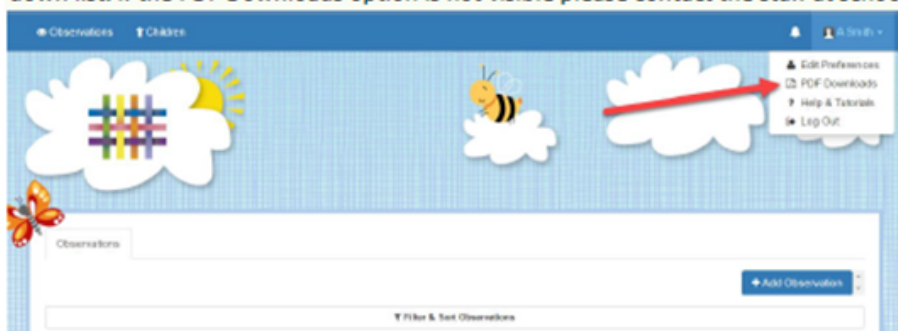

Please find instructions below for downloading your child's Tapestry journal. Please note this can only be done by using the website. <https://tapestryjournal.com/>

Your child's Tapestry journal will be ready for you to download from Monday 27th July 2026. From this date you will have four weeks to save your child's journal. From Tuesday 1st September you will no longer have access to your child's Tapestry account and we will not be saving their journal. Please note only photographs will be saved not videos.

Step 1: Log into Tapestry using the web browser version.

Please note that PDF downloads are not available on the app version of Tapestry.

Step 2: Click on your username at the top right of the screen and select 'PDF Downloads' from the drop down list. If the PDF Downloads option is not visible please contact the staff at school for assistance.

Step 3: on the PDF downloads page you should see all downloads you have available. Click the red **Download** button to download your PDF. Make sure you save it somewhere safe, and if possible save it to permanent media off your PC, marking it so you will be able to find it in the future. Remember, Tapestry records will not be available once children are in Year 1.

You will still have access to your child's tapestry page over the summer as we have had some parents request access.

Many thanks,

The EYFS team
