

24th September 2026

Dear HISN Families

National Poetry Day - Thursday 1st October

We are excited to celebrate National Poetry Day on Thursday 1st October where we will be sharing the work of some amazing poets and becoming poets ourselves. This year, children have the opportunity to become published poets by taking part in the Young Writers KS1 Acrostic Poetry Competition.

This is an excellent opportunity for children to demonstrate their poetry skills at home and be in with the chance of becoming published in an actual book!

In school, we will be holding an assembly to introduce National Poetry Day and the competition and sending every child home with the entry form. This is an optional activity.

If you would like your child to enter, they must hand in their poems, on the entry form given, to their class teacher by Monday 19th October. Unfortunately, any entry forms given after this date will not be able to be processed. We welcome entries as soon as they are completed.

Please click [here](#) to view a parents guide and resources to support your child to complete the poem such as word banks and example poems.

If you have any questions regarding this, please email the office and Mrs Lowin will respond.

We can't wait to read some amazing poems!

Kind regards

Karla Lowin
Year 2 Class Teacher
