

Welcome to HISNA

A Quick Guide to Hampton Infant School and Nursery Association (HISNA)

Hello, and welcome to the school, and HISNA (the school's Parent Teachers' Association)

This short guide has been written to help you better understand some of the things that go on in our school, outside of the normal school lessons and activities.

HISNA run a number of events during the school year. All the money we raise goes directly back to our children by providing the school with the funds to buy additional resources that enrich our children's learning.

HISNA is run by a dedicated committee of parents who have volunteered to give up some of their time to organising these events. The money raised benefits each and every child as they progress through the school. For example, the school have made, and continue to make great improvements to the school playground to which HISNA has contributed. In January 2020 HISNA also funded the complete replacement of the reading books in order to introduce a more fluid reading scheme that will continue with them into the Junior School.

We have also funded or contributed towards the following:

- *Chromebooks
- *Online learning subscriptions
- * Early Years seating furniture
- * Workshops; Robotics, Singing Hands, Explorer, Science Week and Arts week (across the school)
- * World Book Week Reading Cafe
- * Christmas shopping event
- * Children's' Christmas parties
- * Easter Egg Hunt
- * Living Eggs
- * Year 2 celebrations/leaving party
- *Balance Bikes

Volunteers are vital for the success of every event that we run and we really appreciate any time or support that you are able to offer. There are many ways that you can help. Working with the committee or helping out at an event.

HISNA also helps to provide a social framework for you as parents to meet other parents and integrate into the life of the school.

Hampton Infant School & Nursery

Please look out for our HISNA Newsletter which is emailed out every half term. It will keep you up to date on all our news and up-coming events. You can also join the Hampton Infants Facebook page, just search for 'Hampton Infants Parents' and request to join. Please do also follow our joint Twitter account run in conjunction with the Hampton Junior School – 'Hampton Primary Partnership'.

If there is anything you need to know, you can contact your Class Rep or the Chair of HISNA, on contacthisna@gmail.com

We look forward to welcoming you to the school.
