

### A MESSAGE FROM THE HEAD OF SCHOOL

Our current HJS principle is EXCELLENCE and I have seen so many pupils demonstrate this value so far this term. Walking around the school and visiting classes, I have seen excellent academic work being completed, creative displays being mastered and strong social skills developing - all aspects of an excellent student! I am sure this will continue and look forward to finding out who the 'Stars of the Week' are this tomorrow. At HJS we ensure that all children have access to a broad, exciting and challenging curriculum which we try to enhance with a variety of events, resources and activities. An example of this would be the climbing wall that will be coming to the school this term for all children (and staff) to take part in. We are however, heavily reliant on parents contributing to the voluntary fund to ensure these events take place. Information about the voluntary fund is attached to this issue of news notes so please take a look and then make a contribution on your Parent Pay account – we are always incredibly grateful for these donations. I would also remind parents to refer to the information that has been sent out this week with regards to illness. It is very normal at this time of year for children to have a cold, running nose, a sore throat so please read the NHS guidance carefully and follow the correct procedure accordingly.

**Mr. James**

### HJS PRINCIPLES

Each month the school will focus on a different principle.

This month is:

### NEW ROLE AT HPP

I would like to take this opportunity to introduce myself as a new member of staff here at HPP. My name is Karen Finnegan and I am your Parent Support Advisor. My role is to provide support for the children and parents offering a listening ear, advice and help regarding any issues causing a concern school or home based. I am very much looking forward to meeting you all over the coming weeks.

Please contact her on:

### SECONDARY SCHOOL ADMISSIONS

Information for parents regarding Secondary admissions is available on the Richmond Borough Council website at [www.richmond.sch.uk](http://www.richmond.sch.uk)

To apply online go to:  
[www.eAdmissions.org.yk](http://www.eAdmissions.org.yk)

### HAMPTON HIGH SECONDARY SCHOOL ADMISSIONS

Due to social distancing and health safety guidance for schools, Hampton High are unable to host a live question and answer session with parents in primary schools this year. They are able to offer you the opportunity to sign up for a "live" information session with the Headteacher at three separate times.

If you would like to listen to the session, please use the link below, having first of all watched the accompanying video on the website. The form contains a space for you to pose any questions you wish to ask – we will use these to help shape the information shared. Should you have any further questions at the end of the session, you will be given the opportunity for follow up questions with the Headteacher. Please note that session numbers will be capped at 30 participants, so we may ask you to choose another time.
