

### A MESSAGE FROM THE HEAD OF SCHOOL

Although the rain has fallen, this hasn't dampened the spirits at HJS and as always the school is a hive of activity. Each class is currently completing both PE and Games lessons outside and we really will try to go out in most weathers. Therefore, do ensure children come to school in their full Games kit including the Hoodie. I understand that there has been an issue with stock at the uniform shop but we hope that this should be resolved within the next few weeks.

The Executive Leadership Team will send out a Covid update next week as we look to refine some of the current arrangements. One point for pick-ups at the end of the day – please can I request that all parents wait behind the white lines on the playground. Thank you for your continued support and I look forward to (virtually) meeting with all the parent reps tomorrow to discuss any questions that have arisen.

**Mr. James**

Year 5 Science experiment filtering a mixture of sand and water.

Year 6 exploring fossils and what we can infer from them. A really successful lesson exploring: Ammonites, Trilobites and the Megalodon!

Some wonderful discussions were had.

## **MENTAL HEALTH AND WELL BEING**

We hope you have all had a positive and productive week. We enjoyed sharing more well-being and growth mindset activities. Children have been thinking about the things they find challenging and how to find the courage to face our fears. Mrs. Gale has been in Year 3 again, sharing her Tai Chi moves, to support us in developing a regular practice. Classroom chair yoga sessions are also being enjoyed throughout the school. All the teachers are aware that, as well as all the learning that is going on, it is important to have fun through games – it was great to share a variety of ideas in our staff meeting. Mrs. Hawes loves a game of 21!

Once again, a reminder that as we are considering the mental health of our children, we sometimes stir up some unresolved issues of our own. If you are feeling in crisis, please contact your GP. There are also some great services available:
