

Wednesday 21th June

Dear Parents/Carers

5R Compliment Chain

As a result of their outstanding behaviour, 5R have completed their compliment chain. The children have earned a reward which will take place on **Tuesday 4th July** in the afternoon. Please could you ensure that your child comes into school in their PE kit this day so that they are comfortable.

The year group has decided that they would love a visit to Carlisle Park so that they can use the playground and the green area. We will therefore be leaving to walk to the park after lunch at 1:15pm and will be back in time for pick up at 3:15pm. If your child would like to bring any of the following to the park, they are more than welcome:

- A few light snacks and a bottle of water.
- A picnic blanket to sit on.
- Their own footballs, cricket sets, frisbees or any other sporting equipment which is appropriate for the park.

Thank you again for your continued support with Year 5 and if you do have any questions about the visit, please do not hesitate to get in contact.

Yours sincerely,

Miss de Beer
