

28th February 2024

Dear Parent / Carer

Amazon Wish List

In the Autumn term, many of the classes enjoyed receiving wonderful gifts from families via the Amazon Wishlist. The list has now been updated and we would like to invite families to purchase something for their child's class. This will be the final Amazon Wish list for the academic year so please support the school if you can!

The school works incredibly hard to ensure that we have the very best resources for your child's education, making their learning our priority. However, schools across the country have to use their budgets effectively to make this happen and there are some items that we just can't afford!

This is where the **Amazon Wish List** comes in! This Wish List is populated by class teachers who have a clear understanding of what additional resources they need and what would make the biggest difference to your child and their classes. It is also incredibly exciting for the children when a gift arrives at school which they can then use immediately.

The Wish List contains a wide range of items, all of which would be gratefully received. When completing your purchase, please remember to include a gift receipt so we can see who kindly donated.

If you are able to make a purchase, please see the [Amazon Wish List](#)

Thank you for all your support.

Kind regards

Mr Jon James
