

Hampton Infant School & Nursery

SCHOOL NEWS

22nd April 2021

The children have had a great start to the Summer Term and it has been wonderful to welcome them all back. We are really looking forward to a busy fun packed term with lots of learning experiences across the curriculum.

As the weather is getting warmer please ensure your child's jumper or cardigan is labelled clearly with their name, as these do tend to go missing when children take them off.

Please also ensure your child is wearing the appropriate clothes for PE – see the list of items below. Shorts or tracksuit bottoms should be plain with no logo and the t-shirt and sweatshirt/cardigan should be the school logo items. We are very proud of our uniform and expect all children to follow the school policy for uniform.

- Black shorts or Black jogging bottoms
- School sweatshirt or cardigan
- Red school t-shirt
- Trainers

NURSERY

Welcome back Nursery! The children all settled back in remarkably well this week, so happy to be back and playing with friends. We are so pleased that they were able to see a great show of tulips and narcissi that they planted last term and enjoyed giving them lots of TLC!

RECEPTION

Welcome back Reception! Spring is finally here and the sun is shining - what a brilliant way to kick start the Summer term! We love seeing the children in the classrooms and the buzz in Reception wing is once again full of life. With the weather warming up and the sunshine popping out to say hello, the children have been really getting into water play this week. We've been hearing lots of splishy splashy sounds as well as swooshing and swirling, and really love watching it drip, sprinkle, pour and gush. Let's hope the sunshine stays so that we can continue learning and experimenting.

We've also been thinking about the world this week and the different countries and continents that make up our planet. We've had a go at making flags from around the world and looking at world maps.

YEAR 1

Welcome back Year 1!

We really hope that you have enjoyed the Easter break. The children have settled in brilliantly and have been extremely happy to see all their school friends since. We have a fun filled Summer Term coming up, the children will be experience with lots of different workshops . Next week we have the West End coming into school for a dance workshop. We have started our new focus book 'Sharing a Shell' for English and children will be writing descriptive sentences about the characters and setting. In Maths we have been focusing on capacity and volume with lots of practical work.

Maths—capacity and volume practical

YEAR 2

Hello and welcome back to what is going to be a busy summer term. The children have very quickly settled back into the classroom routines and are diving straight into the excitement of our new learning.

Prior to the Easter break, each of the Year 2 classes planted beans which the team have taken home and looked after. The children were eager to see how they are doing and how big they are. In our science lesson this week the children were challenged to measure each of the bean plants and suggest why some grew healthier than others, making connections to our previous learning. This will link nicely into our new learning in science of 'Living things and their Habitats'.

We have now started our new topic 'Journey Through Asia'. This week the children used maps, atlases and globes to locate the country we are going to be looking at in depth for our new geography learning. The children were fascinated to discover where Brunei is in the world and zoom in even further to explore the settlement of Kampong Ayer. In introducing our new topic, the children were filled with questions and cannot wait to learn more about it and how it differs from life in Hampton. We have also begun to explore our topic through our new text 'The Tiger Child' where the children were given the opportunity to respond to the story through drama

The Health Impacts of Sleep

Please read the attached from Corrina Puttock about the importance of sleep.

MESSAGES FROM THE OFFICE

School Lunches

Please note that children must choose to either bring in a packed lunch OR have a hot school meal each day, this must stay the same each half term. (unless special arrangements have been made).

Please also let the school office know of any new dietary requirements you child has so that the kitchen caters for everybody.

Birthday Treats

We know the children love to celebrate their birthday by bringing in treat for their classmates, however HISN are not able to allow children to bring in birthday treats until further notice.

Please note that Hampton Infant School has new email address

office.hisn@hpp.com

This email address replaces our info@account

Sickness

If your child has an episode of sickness and/or diarrhoea please notify the school office and keep your child at home for 48 hours.

Please see note below regarding Covid-19 procedures.

IMPORTANT

Covid 19

Please do not send your child into school if they or a member of the household has had a covid test and are awaiting the results. Your child can return to school once you have received a negative result.

If your child is displaying any of the symptoms below please call the school office and speak to a member of staff.

- A high temperature
- A new, continuous cough- this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- A loss or change to sense of smell or taste-this means they cannot smell or taste anything, or things smell or taste different to normal

VIRTUAL TOUR

Our virtual tour is now available, please click on the following link to view

Parent Support Advisor

The children are all settling back into school life once again and hopefully we have seen the last of home-schooling for a while. Although this transition back to school would have been a long overdue and happy one for most of the children, some may have struggled. Adjusting back into school routines, getting enough sleep and missing home comforts can have an impact on children's behaviours. If you are struggling or have any worries or concerns about your child why not contact me for a chat. I am here to offer support and advice or just a listening ear when needed. You can contact me directly via email kfinnegan@hampton-jun.richmond.sch.uk or mobile 07471234544.

Best wishes Karen Finnegan

KEEPING CHILDREN SAFE IN EDUCATION

If you have any concerns about the safety or welfare of your child please speak to one of the designated child protection officers, you can also seek advice or guidance for the agencies below:

Claire Tester	Head of School – D.S.L - Designated Safeguarding Lead
Helen Lockey	Executive Headteacher – D.D.S.L. – Deputy Designated Safeguarding Lead
Fiona Thompson	Co-opted Governor – with responsibility for Safeguarding
Emily Boswell	Co-opted Governor – with responsibility for Safeguarding
Mr Sej Bhabra	Chair of Governors

For further information please go to the school website

Message from the local NHS - Think you need to go to A&E? Think NHS 111 First

If you need urgent, but not life-threatening care, call NHS 111 before turning up to an emergency department. If, following a conversation with NHS 111, it is appropriate for you to attend the emergency department you may be scheduled a time to attend.

Thinking NHS 111 First will also help you get to the most appropriate service when you may not have to attend the emergency department. This could include self-care or a slot at your GP practice, a GP hub or a nearby Urgent Treatment Centre.

You can still go to ED and UTC without calling ahead but thinking 'NHS 111 First' will give shorter waiting times via a booked slot at the emergency department or another appropriate service and

safe social distancing away from busy emergency department waiting rooms to protect you and others from COVID-19
