Year 6's Compliment Chain Reward

Dear Parents/Carers,

As a result of their excellent behaviour, Year 6 have completed their compliment chains and have earned a reward which will take place on **Monday 12th December** in the afternoon.

The children have decided on an array of activities including:

- A movie which will take place in the classroom.
- A games room where they can play board games
- A nerf gun challenge on the green area (please could the children bring in their wellies and a change of clothes- which they don't mind getting muddy!)

In addition to this, the children are allowed to bring in snacks to have whilst we watch a movie. ask that they do not bring any nut products or fizzy drinks in.

They are welcome to bring in a change of clothes if they would like. Some children have requested that they would like to be in their pyjamas for the movie – this is of course fine!

Kind regards,

Miss Cooper Ms Logan Mr Graves Mrs Gale Miss Kennedy
