Dear Parents and Carers,

HISN Autumn Term Reports Update.

As you know, paper copies of the Autumn Term reports were due to be sent out to all families on Monday 23rd November. However, as some of the children and staff will not be in school at the beginning of next week we have made the decision to delay the reports.

The reports will now be sent out on Monday 30th November. This will be accompanied by an email which will give parents the opportunity to request a telephone call with teaching staff if they have particular questions regarding the reports.

As a result of this delay to the reports going out to families, we will consider changing the days when we offer the telephone consultations. However, this will be confirmed when we have a better understanding of the number of telephone calls which we will be required to make.

HJS Autumn Term reports will still be sent home on Monday 23rd November.

Thank you once again for your support in this matter and if you have any questions regarding this please do not hesitate to contact the school.

Your sincerely

Ms H Lockey  
Executive Head Teacher
