Dear Parents and Carers

### **HISN Staffing Update**

I am writing to inform you that Miss Tester, the Head of School for HISN will be leaving at the end of the academic year. She will be taking some time off to spend with her family whilst considering a relocation. This was a very difficult decision for Miss Tester; she has always been fully committed to the children and families of Hampton Infant School and Nursery and has worked alongside myself and staff to ensure the children thrive in school.

Miss Tester joined HISN in January 2018 as the Head of School and member of the Executive Leadership Team (ELT). She has worked tirelessly as part of the HISN team; always with determination and passion and keeping the children and families at the heart of her work. Ensuring the children have the best possible opportunities and school experience has always been Miss Tester's priority. As part of the ELT Miss Tester has made a real difference to the children of HPP and was very much looking forward to working alongside Mr James once again.

It has been my very great pleasure to work alongside Miss Tester. Her obvious commitment and dedication to the pupils, families and staff of HISN has been clear. She has led through a period of great change at HISN and these changes have been hugely positive for all the children and staff.

I know Miss Tester will be very sadly missed at HISN by pupils, families and staff alike and I hope you will join with me to wish her every success and happiness for the future.

The governors and myself will begin the recruitment process immediately to recruit a Head of School for HISN. We will of course keep you informed of the outcome of the process.

Thank you for your support in this matter.

Yours sincerely

Ms H Lockey  
Executive Headteacher
