Christmas at HISN 2020

Dear Parents / Carers,

The information in this letter is to provide you with information regarding the upcoming Christmas events which we will be holding. All activities will be taking place in line with Covid-19 safety measures. HISNA will also be running the ever-popular Christmas Shopping event for children, information of which has already come out from HISNA.

Christmas Lunches and Parties.

Christmas lunch is always a festive occasion at HISN, one where staff serve the children their lunch. Please see menu at the end of the letter. On the day your child's year group is **not** having a Christmas lunch we request that you provide them with a **festive packed lunch** which they will eat as part of their Christmas party. Nursery children will be having a Christmas party on the same day as reception, full details to follow from Mrs Woolf.

During the Christmas party the children enjoy their festive lunch with their friends, play games and we are hopeful that Santa may visit! HISNA will provide a snack before lunch to keep the children going over the lunchtime.

We are aware that the children are entitled to a free school meal every day, therefore if you do not feel able to provide a packed lunch, the kitchen staff will do this. The school packed lunch will consist of a sandwich (ham or cheese), crisps, fruit and a healthy vegetable snack.

Please complete the eform via the link below by 12 pm on Wednesday 2nd December – the menu can be found at the end of this letter.

Christmas Cards

We will not be having the Christmas post box this year. However, if children wish to send Christmas cards to the other members of their class they are welcome and the staff will help distribute them. Please make sure the envelopes have the recipients full name.

The Grinch

As you know we are filming our Christmas video on Tuesday 1st December. The children have been practising their lines and are rehearsing in school. Please ensure you have sent in their costume or just a Christmas jumper if that is easier.

This is being professionally recorded and edited by a member of the parent community (thank you Mr Wells from RD) and we hope to make it available in the final week of term.

Thank you for your continued support.

Yours sincerely
