History: Flight, aviation, Wilbur Wright, Orville Wright, sequence, chronological order, famous, source, primary source, secondary source, development, Amy Johnson, compare, achievement.

Understanding the world around us

History:

The Wright Brothers and Amy Johnson.

SMSC:

- Zones of Regulation
- New year resolutions
- Respect & good manners

Reading & Phonics

We would like the children to read with you five times a week and each time we would like you to record this in their home school diary. The children will read with an adult in school once a week, when their book will also be changed. They can also swap their "Borrow a Book" on this day.

At HISN, we use the **Sounds-Write** phonics programme from EYFS to Year 2 and beyond. Children are taught how to:

- Recognise the sounds that each individual letter makes
- Identify the sounds that different combinations of letters make e.g. sh
- Blend these sounds together from left to right to make a word

Computing and Science; skills and knowledge

Computing:

- Robot Algorithms – How we use them every day and in technology.

Science:

- Plants

Be the best you can be!

Our Golden Rules:

Be kind to others

Be a good listener

Be respectful towards yourself, others and the school environment

Be hard working and challenge yourself

Be responsible

Hampton Infant School & Nursery

Year 2 Spring Term 2023

Key Year 2 Information:

Happy New Year & Welcome to the Spring Term!

Firstly, we would like to say a huge 'thank you' for all your Christmas wishes and thoughtful gifts – you are very generous! We hope you all had a relaxing and fun filled festive period. We thoroughly enjoyed our first term with the children, and have been amazed by all they have achieved so far – we are really looking forward to what lies ahead during this Spring term!

Our topic this half term will be 'Sky Riders!'

We are starting our "Sky Riders" topic by exploring the skies through our learning about the Wright Brothers and their invention of the first powered aeroplane. We will then be moving on to exploring our very own planet Earth, learning about plants in Science and then focussing on map work in Geography!

Even during these cold winter months, PE lessons are up and running, so please ensure your child comes into school in the correct PE kit for both indoor and outdoor PE, including trainers and jogging bottoms for outside sessions. The full list of required kit is available on the school website.

PE:

- The children will be taking part in outdoor PE lessons twice a week.
- The children in all year groups should come to school in their PE kit on the days they have PE. PE Kit should only be worn on these days – please see the uniform guidance on the website if you are unsure of what child should wear.
- Class PE days are as follows:

Class 2J: Monday and Friday

Class 2A: Tuesday and Wednesday

Class 2D: Monday and Thursday

Class 2T: Monday and Wednesday

Key Information:

- Please label **everything**, including coats, hats and shoes!
- If your child arrives after 8.55am you will need to take them to the office to sign in via our Inventory system. If pick up arrangements change during the day, please phone the school office no later than 2:30pm to let the admin team know who is going to be collecting your child.
- Please send your child to school with their book bag **every day** so they can change their book regularly.
- Please supply your child with a bottle of **water**, clearly labelled with their name. Please fill bottles with water rather than any other type of drink.
- Remember any messages for the day, e.g. a change in collection or a playdate, should be given to the member of staff in the playground from 8:40.
- As the weather gets colder and wetter, please ensure your child has the appropriate labelled clothing for both playtimes and outdoor PE sessions. Wellington boots should both be labelled and brought to school in a labelled plastic bag to hang on your child's peg.

Reminders...

Please take a look at our 'Home Support' page for information regarding individual classes and home learning activities should you or your child wish to carry on their learning at home.
