

Tuesday 14th September 2021

Dear Year 6 Parents/Carers

Year 6 School Journey to Frontier Centre, Northampton
Monday 15th- Friday 19th November 2021

We are very pleased to have secured a booking at The Frontier Centre for the year 6 residential visit this year. This will be a new destination for us and we have made this decision as Adventure International in Bude were unable to guarantee a date for a school visit.

We write now to outline the cost of the residential visit with details of the payments required.

Please take some time to visit the website <https://rockuk.org/centres/frontier-centre/> and watch the video <https://www.youtube.com/watch?v=nvGG3JBIQFI> you will have seen that the visit will offer an outdoor adventure experience with first class facilities, as well as giving the children a chance to widen their range of personal and social skills. Every year we see the children benefit enormously from this experience and we hope every child in this year group will get the opportunity to take part.

The estimated cost of the trip in 2021 is £255.00 per child. This is a provisional cost based on estimated coach costs and on a minimum number of children going. This cost may change if numbers are less than anticipated, however, it is unlikely to make a substantial difference (+/- £10). To reserve a place for your child we need a deposit payment of **£80.00 by 24th September 2021** with other payments amounting to the balance to be made by Friday 12th November. Due to the close date of the residential visit, if you require longer to pay for the visit please complete the relevant section on this eform <https://forms.gle/oHuNLdhyDf2P1CEh8>

Please make payments via your ParentPay account. If you require support please contact the school office to re issue login details.

If you have any concerns, please make an appointment at the earliest opportunity. Ms Lockey has a wealth of experience in organising school residential visits and can assure you that almost any issue you feel may hinder your child's enjoyment of this amazing experience can be overcome. If you are concerned about the financial cost of the journey, please speak to Ms Lockey or Mr. Tidd.

We do hope to take as many children as possible, so please book your place early to avoid disappointment. We know from past pupils that the Year 6 school journey is one of their most cherished memories from HJS!

Yours sincerely

Executive Leadership Team
