

Tuesday 21st November

Geography Field trip - Hampton

Dear Parent / Carer,

In year 3, the children are currently learning about our local area of Hampton. Through the topic the children will be learning about land use and different types of settlements.

On Tuesday 28th November, as part of the children's learning, each class will be going out into the local area to explore the geographical features of Hampton. The children will be collecting data to show how land is used as well as broadening their understanding of the local area.

Please make sure the children come to school each day with a coat and comfortable footwear.

We look forward to sharing with you what the children have learnt from this fieldwork opportunity.

Yours sincerely

Miss Miah

Miss Goddard

Mrs Gregory

Miss Stone
