

Inter-House Competition – Football

This term's inter-house competition was football which took place the week commencing 6th June. Each year group competed in their houses, battling for a place in our competition final. The finals were held at the school field with pupils showing great passion, enthusiasm and determination.

Year 3: Thames 1 – 0 Hampton

Year 4: Thames 0 – 1 Bushy

Year 5: Hampton 0 – 0 Tudor (Tudor winning on penalties)

Year 6: Thames 2 – 2 Bushy (Bushy winning on penalties)

Well done to all pupils who participated in matches and supporting their houses. The games were tense and competitive, however all players were able to show great sportsmanship and compassion to others which was excellent to see.

A big congratulations to our overall inter-house competition winners... **BUSHY!**

PE Points

PE points are awarded to pupils for working well within their houses in PE lessons. These PE points are then collected and accumulated per year group. Congratulations to the winning house receiving the PE points trophy this term, Hampton with 212 points.

Daily mile

In order to keep active and maintain a healthy lifestyle, HJS encourage each class to participate in a daily mile or physical exercise every day. The total number of days are then calculated and the daily mile award is presented to the winning class. Congratulations to 6GK for their continuous efforts to complete a daily mile and stay active throughout the summer term.

House Captains & Sports Crew

We would like to thank the House Captains and Sports Crew this year for their hard work and dedication to their roles. They truly have made the school a fantastic place to be for all children and have encouraged many pupils to participate in a variety of sports during inter-house competitions and lunchtimes.

Sporting events

Football: We have had many boys and girls fixtures this term where each team have been competing in separate leagues. The girl's team came 2nd in their league – a fantastic achievement.

The boy's team got through to the knockout stages of the tournament whilst playing against some strong sides in the process.

Cricket: On Thursday 16th June, we took a boys and girls squad to NPL for an all day cricket tournament. All children enjoyed taking part in what was a very hot day. This was some students first time playing competitive cricket and they performed fantastically. Well done!

Swimming Gala: On Wednesday 8th June, a group made up of Year 4, 5 and 6 children went to Richmond for a swimming gala competing against 8 schools. Everybody performed exceptionally in their events, posting some great times and winning 9 heats overall.

The girls came 4th overall in the Richmond borough. This is a huge achievement that we are incredibly proud of.

Netball: We have also continued to compete in our league, playing against Hampton Hill and Heathfield. A squad of 8 players went to a borough tournament in Barnes. They played well and made HJS proud. We also hosted Hampton Hill in a friendly with the A team losing 8-2 and the B team winning a tremendous 10-1.

Thank you to Miss Smith and Mrs Beaumont for running and organising the team this year!

Chelsea Foundation

This year we have officially become a Chelsea Foundation school. Part of this involves us taking part in football tournaments from different boroughs giving children greater sporting opportunities. We have also had representatives from the foundation come in to deliver assemblies about current issues surrounding sport and society, most notably racism in sport.

We look forward to working with them in the future!

Sports Day

Sports day was yet another fantastic event and was amazing to see all children take part in their respective events. We started with Year 3 & 4 followed by Year 5 & 6.

The day consisted of 90m sprint, long distance, relay, space hopper and javelin events. Well done to everyone that took part in their events and congratulations to the winners.

The overall house winners were Hampton!

We'd like to thank everyone on what has been a fantastic year for sport both in and outside of school. To those of you that have represented HJS outside of school this year, you have done us proud!

Regards,

Mr Graves & Mr Elson
