Parent Support Advisor

Dear Parent/Carer,

I would like to introduce myself to you and my new supporting role here at HPP. My name is Karen Finnegan and I have joined the school staff as a Parent Support Advisor.

My main role is offering advice, support and a listening ear to any concerns or issues that may affect your family or school life. Having children can be one of life's greatest joys but can also be very challenging at times.

I have over twenty years experience of working with and supporting families and I can offer advice on a wide range of issues from developing positive parenting skills, establishing consistent family routines, sleep advice, healthy eating and nutrition, housing and benefits support through to signposting to local and national family support services.

If you would like to arrange a meeting to discuss any concerns or worries you may have please speak to your child's Class Teacher.

I will be introducing myself personally over the coming weeks outside the school gates at the end of each day. I am really looking forward to supporting the families here at HPP and meeting you all.

Regards

Karen Finnegan
