

# Viking Research Project

Over the next two weeks, using your learning and completing your own research, you are going to create either an information leaflet or a PowerPoint about the Vikings.

## Week 1: Research

Review your work from previous history lessons to refresh your knowledge on the Vikings. You have covered the Viking Invasion, Alfred the Great, Viking Life and Anglo-Saxon Kings.

Also, you will need to undertake your own research so you can include a variety of information in your leaflet or powerpoint. Below are some websites to help you and further down the page are bullet points you should cover.

Remember to add 'KS2' or 'kids' in your search.
