

Our Hampton Infant School Super Fun Ideas

In PSHE we had begun to think about how we could stop saying "I'm bored" and start saying "I know, I can play...."

We shared ideas about fun games or activities that others may not have heard of and we tried to think of things we could do on our own or with one other person either indoors or outdoors. The names of the activities were created by the children themselves and are listed in alphabetical order. We hope this list helps you to stay happy, healthy and creative.

Activity	The rules	Things you need
Animal/Minibeast watch	1 person game - Draw animals or minibeasts on a sheet and label them. Walk around your house and see what animals you can see in pictures or fluffy toys or from your window. Or go outside and look for minibeasts. Put a tick on the sheet next to the ones you see.	Paper Colouring pencils Magnifying glass or binoculars
Art Tag	2 person game - 1 person is the 'Tag-er' and has to run and catch and tag the other person. When that person is tagged, they have to draw a picture of something and the other person has to guess it. Once the person has guessed it, you swap over.	Paper Pencil

The shark has to catch the fish and when he does the fish has to count to 10 while the shark hides. The fish then has to find the shark. Take it in turns to be the fish or the shark.
