The Scheme of Delegation sets out the delegated powers between the Full Governing Body, the Executive Head Teacher, the Heads of School and the Governance Committees in the governance of the Hampton Primary Partnership.

The delegated powers are broken down into different levels in line with the HPP’s principles of governance, leadership and operation.

A ‘tick’ indicates where the delegated power for that specific task sits. An ‘R’ indicates where a recommendation may be made.

The delegated autonomy is aligned with the need for the Partnership to fulfil its responsibilities and accountabilities to the DfE and the Local Authority (and its representatives).

The Scheme of Delegation should be read in conjunction with the committees’ Terms of Reference [for the current academic year](#).

Whilst the Scheme of Delegation is designed to be comprehensive, it will not cover every task.

[Policies are approved and reviewed in line with the DfE’s Statutory Policy guidance](#). By exception, there may be policies that the schools determine locally (operational policies); these will always be identified as ‘locally owned’. No such locally owned policy can contradict an overarching HPP-wide and applicable policy.
