Resources on Google Classroom

Dear Parents/Carers,

It was lovely to meet with you for parent consultations last week.

Many of you asked about how you could support your child at home and requested extra materials for reading comprehension and maths. In order to avoid printing out and using more paper than necessary, we have ensured that all resources are loaded onto Google Classroom for you and your child to access. Once your child has logged onto Google Classroom, please go to the 'Support your learning folder'. Within this folder you will find reading comprehensions, creative writing, arithmetic skills, handwriting practice and other support resources.

In order to reduce our paper usage, we have also decided we will no longer be handing out multiplication sheets for homework on a Monday as they can be accessed in the homework folder together with spellings on Google Classroom.

Please do not hesitate to contact your child's class teacher if you have any questions regarding Google Classroom.

Thank you,

Mrs Woolf

Mr Graves

Miss Mahmood

Miss Bienge
