Dear Parents/Carers,

NEW MESSAGE ALERT SYSTEM - 'PARENT HUB'

HISN are moving to a new alert/messaging system after the Easter break, this will be using a smart phone app called 'Parent Hub'. This app is already being used by parents at HJS.

Please see the attached flyer, which provides details and a link enabling you to download the app.

If you already have the app, because you have a child at HJS, you will be able to add another school. Please go to step 3 on the instructions stated on the flyer.

We would strongly recommend that you download the app as soon as possible, and follow the 'channels' relevant to your current year group and class to ensure you receive up to date information from the school.

As a school we will move to phasing out the current text messages and all communication will be through the app.

If you have any questions regarding this matter please contact the admin team.

Yours sincerely,

HISN Admin Team.
