

Hampton Junior School

A MESSAGE FROM THE HEAD OF SCHOOL

The teachers have been taking advantage of some early summer weather with some outdoor learning this week. Our cricket workshops have continued with Miss Smith leading the sessions this week. Children in year 3 have been doing some reading sessions outside and some classes have had visits to the pond. It's been a great use of our outdoor spaces.

On the topic of outdoor spaces, we are currently planning some enhancements to our front and back playgrounds and the green area. Some of these improvements will be taking place in the half term break and some in the summer break so we look forward to these exciting developments.

PE is an incredibly important part of the curriculum and it is vital that children take part in PE, including swimming in years 4 and 5, regularly. Children can only be excused from these lessons if there is a genuine injury accompanied by a note or email from a parent/carer.

This month our chosen principle is 'Aspiration'. This will be the theme for my weekly assemblies and children will have the opportunity to demonstrate this principle in their learning.

Finally a reminder that next week (Wednesday) we have class photos.

Have a good weekend.

Mr Tidd

NEXT WEEK - ART WEEK

If you wish to send your child in with old t-shirt or shirt for them to use during Art week next week please ensure it is named.

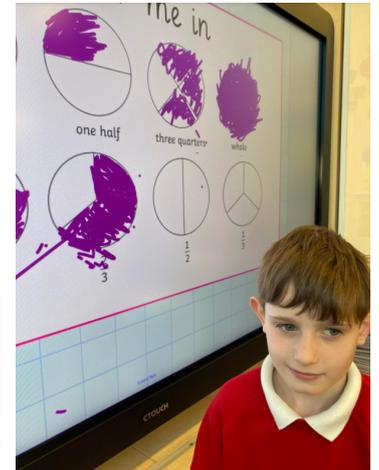

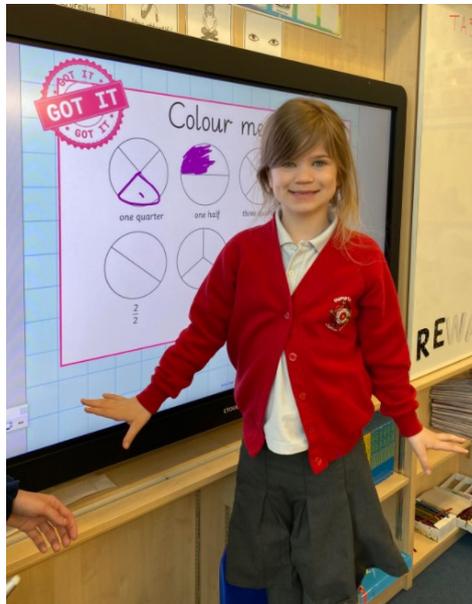

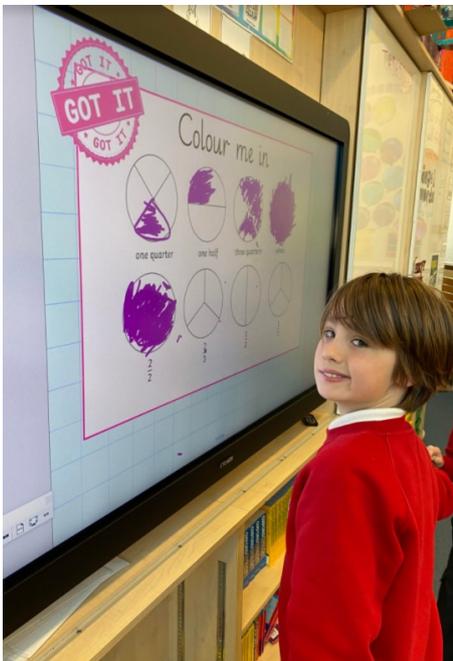

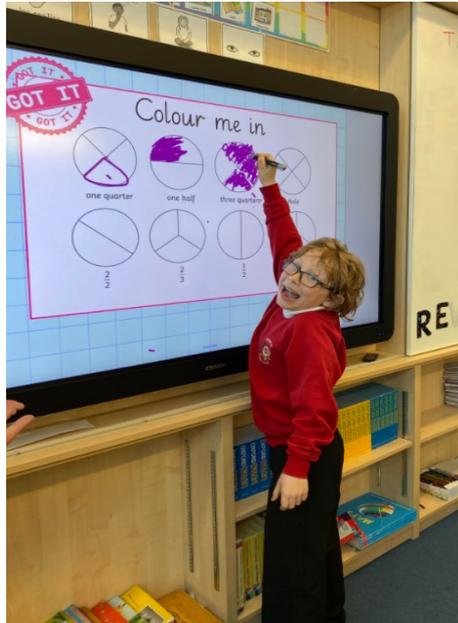

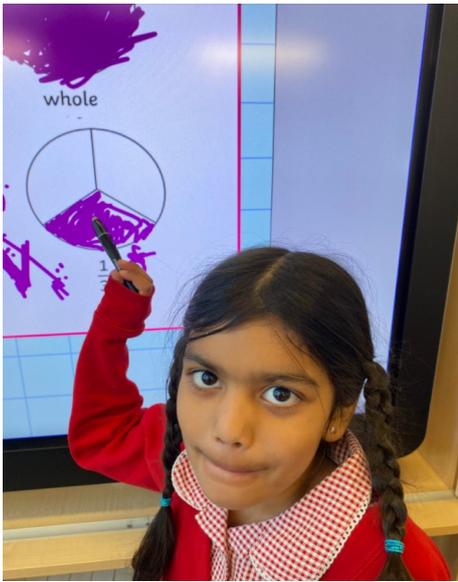

3MA enjoyed reading one of the SPARK Books today in the sunshine!

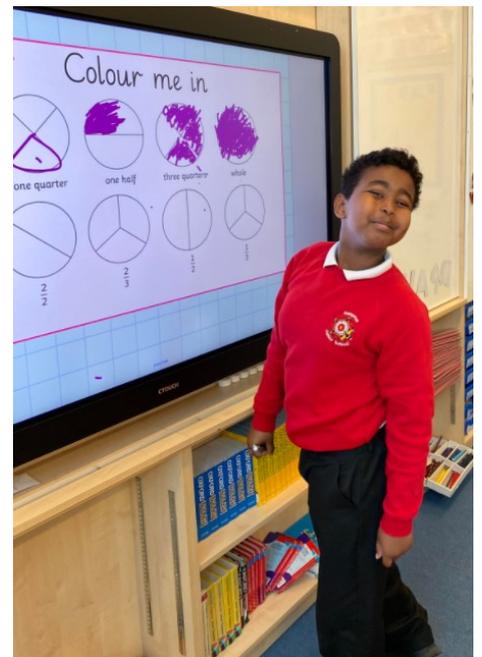

3MA were very excited as 2 of their class butterflies emerged from their chrysalis this week!

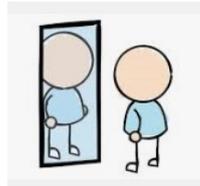

**3S have been
working hard on
their fractions
this week**

Fun in 3H

This past week, 3H have enjoyed learning all about reflective materials in science and our special cricket lesson with Miss Smith

6M have thoroughly enjoyed starting their new geography topic based on coasts. During the lessons, we have used the art planning (courtesy of Mrs Horn) and have created our very own rock pools. The children used their knowledge of perspective, colour mixing and brush strokes to create beautiful art pieces.

WANTED:

We would like to offer a home to any unwanted playmobile figures to support pupils' learning and play in the Early Years.

If you have any figures you would like to donate, please hand them in to the office at Hampton Infant School and Nursery or Hampton Junior School.

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using smile.amazon.uk whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:
