

Hampton Junior School

A MESSAGE FROM THE HEAD OF SCHOOL

A huge 'well done' must go to the FOHJS for organising the circuit event on Monday. The children enjoyed going to the field and taking part in lots of different games. Some of the comments from the children included:

"I loved learning how to dribble a football!"

"The chasing and catching games were most fun"

Thank you again for all you do for the school.

Ms Lockey and I had the great pleasure of judging the Bake Off competition this week. The standard of entries was incredibly high and it was a difficult decision but we finally came to these results:

Year 3:

Emilia Jones 3E - Sweet - Lemon Chick Cookies
Inaya 3MA - Savoury - Pizza

Year 4:

Amelie Meare 4DA - Sweet - Bee Cakes
Ilona Dixon 4W - Savoury - Quiche Lorraine

Year 5:

Luca 5N - Chocolate cakes

Year 6:

Rameiya Kaur 6G - Sweet - Chocolate cake
Cameron Dixon 6G - Savoury - Cous Cous

Well done to all who took part and congratulations to the winners.

On Monday 28th June we will be welcoming into school a circus - please see page 4 for details of this exciting activity.

Mr Tidd

X Furthermore jewellery is not permitted at school and if children come to school wearing jewellery (unless for religious reasons) they will be asked to remove it. Stud earrings are permitted but must be removed or covered with tape during PE lessons. **✓**

ADMISSION TO YEAR 3

If you have a child currently in Hampton Infants who is moving to the Junior School in September, an email will have been sent to you on Friday 28th May from admissions.hjs@hpp.school informing you of important details. Please can you ensure that you have received this email or check your spam/junk email. If you still cannot find this, please email the school office and a further copy will be sent.

CORRECTION

Following many requests from parents regarding how they could contribute towards a leaving gift for Miss Talbot, we suggested that a collection would be put on ParentPay. Of course there is no obligation to make any contribution. We want to clarify – we will not put it on ParentPay by default. If you feel you would like to contribute, please contact the school office and the payment item will be assigned to your account.

FACE MASKS

Please may we remind you that if coming into the school office you must wear a mask or face covering.

Secondly, when coming into the playground if you feel you cannot be socially distant from other adults, please may we request that you wear a mask. We understand some people may be exempt.

HJS Achievers

Sebastian Aviso (3H)

A tennis superstar, Sebastian has recently competed in the All Star Tennis Summer Tournament at the King George's Park Tennis Courts in Wandsworth.

The competition took place on 13th June and he competed in matches against two 9 year old boys who are known competitive players for years. He gave them a run for their money though with his passionate spirit. He finished up the day taking home the Bronze Medal, well done!

Last week, Heath Gardner in 4DA did exceptionally well in his Grade 1 clarinet exam. He got 130/150 which meant that he earned a distinction!

FOHJS PROUDLY PRESENTS

Roll up, roll up the CIRCUS is coming to town on June 28th!

We may not be able to hold our normal HJS summer events this year but we are thrilled to have been able to arrange a circus day for the whole school on Monday 28th June!

There will be a big top, circus show and circus skills workshops for all the children (and all operating within COVID-19 guidelines).

To cover the cost of this amazing event we are kindly asking for a contribution of £5.00 per child payable via the PTA Event site: <http://bit.ly/HJScircusevent>

Every child will take part regardless but in a year that has been very tough for fundraising, we would love to be able to at least cover the cost of the event and, should you be able, there are options to pay an additional donation amount.

As we approach the end of the school term, and on the back of a difficult year, we hope that bringing in all the circus fun will put a smile on everyone's face and help end the year on a high note!

Dear parent/carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools from Greater London from Monday 28th June to Friday 2nd July. It's all done online via <https://play.trockstars.com/>.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 07:00 and 19:00 on Monday 28th, Tuesday 29th, Wednesday 30th, Thursday 1st and Friday 2nd.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

If you have lost your child's log in, please contact your class teacher.

Thank you for your support,

Miss Harden

6S took part in a science workshop all about electricity. To explore circuits, we had to recap our knowledge on key terminology such as conductors, insulators and switches. We created a range of circuits using buzzers, propellers and fans. We then explored electro magnets and had a turn at making our own!

What will I remember most from today's lesson?

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using smile.amazon.uk whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:
