

Hampton Junior School

A MESSAGE FROM THE HEAD OF SCHOOL

The children are settling well into school now and our teachers have continued to support them through facilitating PSHE activities, discussion and other curriculum activities, such as visits to the pond. In the next week or so teachers will be looking closer at attainment and progress and we will be able to share with you some curriculum targets after the Easter break.

Feedback from parents and teachers about the parent consultations has been hugely positive. Conducting these via video allowed for a focused and meaningful discussion. If you have any thoughts or feedback about the video method of consultations, please do email in.

From next week our year 3 and 4 children will be allowed to play in the playground with each other within their own year groups. This is consistent with what our year 5 and 6 children are doing and it will allow children to develop friendships outside of their class bubble. Wellbeing and positive mental health are priorities at the moment and this will have a positive effect on both. Children will still take the necessary precautions such as handwashing/sanitising before and after play.

Finally a reminder that national Covid restrictions are still in place and we all must remain vigilant around who we see outside of our permitted bubbles. Also, please remember to wear a face covering in the playground if you cannot remain 2m from others and to avoid congregating in the street after collection. Have a lovely weekend.

Mr Tidd

goddesses of
Ancient Greece**

Lincoln Woytek from 6G has written his own meditation script which he delivers every Monday to the class. Very impressive and it helps us all develop our growth mindset! We look forward to next week

Bruno Semedo from 6G created these beautiful paintings for his mother for Mother's Day! What a lucky mummy!!

Reminder that tomorrow (Friday 19th March) is Red Nose Day. Children may come into school wearing red. This could be just one item of clothing or a whole outfit of red! Just for this event Mr Tidd has agreed that football tops may be worn. For this event we would ask for a donation of £2 per family.

Furthermore, don't forget to enter the Red Nose Day competition and be as creative as you like! Take a photo and send it into the school office for judging by Mr Tidd. Deadline for this competition is Friday 26th March. In return for entering this competition we would ask for a donation of £2 per family.

All winning entries will be celebrated in the school's news notes and on the HJS Facebook page.

Please donate to both events directly to our JustGiving page. Please follow the link :

Miss Smith enjoyed taking the children of 6S back to her heritage and taught them some traditional Irish Dancing in the spirit of St Patrick's Day. Watch this space for future Michael Flatley's!

Science Week competition

Last week was British science week and Miss Bell has a lovely science poster completion you can enter. The theme for the poster is Innovating for the Future and all the details can be seen on the British science week website <https://www.britishscienceweek.org/plan-your-activities/poster-competition/>

If you are interested, you have plenty of time, as our closing date is the 28th April. Also, if you are stuck for ideas but want to enter, please find Miss Bell who will be happy to give you some guidance. All entries should be given to Miss Bell via the office by the 28th April, 5 of which will be chosen to be submitted by the 30th April.

BEFORE AND AFTER SCHOOL CLUB

FIT FOR SPORT

They offer a simple online system that allows parents to book sessions which run until 6pm. They have limited spaces available at this time so please do book as soon as possible. Hayley is the site manager and will be working closely with her colleague Ryan to run the provision.

Bookings can be made at the following site:

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using smile.amazon.uk whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:
