

Hampton Junior School

A MESSAGE FROM THE HEAD OF SCHOOL

Another busy week has seen plenty of excellent learning opportunities for the children outside of the classroom. On Monday we had the circus performers in. Each class had a 30 minute workshop where they practised skills such as juggling and plate spinning and then there was a 60 minute show where the performers entertained the children with some wonderful circus tricks. It was a thoroughly enjoyable day and the children and teachers appreciated it very much. A big thank you to the FOHJS who organised the activity.

Our year 6 children had a lovely day at Go Ape where they were able to explore their outdoor and adventurous side; children in year 4 have been exploring their cooking skills by making stuffed peppers as part of food tech week; in year 3, some children explored the green area for a science lesson and some of our year 5s have been practising their cricket. It is testament to the hard work of our staff that our children get such fabulous learning opportunities.

On Monday next week, the children will meet their new teacher – I am sure that many are very excited about this and it represents another step in the children’s education. Please support your child with any anxieties they may have about moving into a new year group and reassure them that adapting to change is positive and part of life.

Have a lovely weekend

Mr Tidd

MESSAGES FROM THE OFFICE

Swimming Gala

Due to Covid 19 restrictions, we will be limiting our annual swimming gala to two year groups this year. This is extremely unfortunate and a decision that we have considered carefully .

Therefore the gala will take place for our upper school children only. Further information regarding the gala will follow.

Change of Date —Whole School Photo Wednesday 21st July Info to follow

Thursday 15th July
Reserve date—Friday 16th July

Sports Day will be going ahead on the 15th but will be slightly different this year.

All year groups will be participating separately and we hope we will be able to invite parents to spectate. Further details (including class timings) will come out in due course. A decision on spectators will be made nearer the time depending on the CV-19 situation.

HJS PAST PUPIL SUCCESS

Alexia and Sophie are sisters and both attended HJS

Alexia just completed her third year at University of Brighton and achieved a First (BA Hons) in Philosophy, Politics and Ethics. Her dissertation results of 85% were the highest of the University year's cohort and the paper can now be published.

Sophie did equally well and obtained a First in Education (BA Hons) in 2017. She is working in a primary school in Sunbury however will start teaching Year 4 in a Dubai British school from September.

As part of their new Science topic, 3MA explored the different parts of a plant in the green area last week!

**3MA had a wonderful time at the
Circus on Monday!**

**Thank you to the Friends of HJS
for funding this exciting event**

3S laughed their little socks off as they learnt their circus skills

Food Technology Week – Making Stuffed Peppers

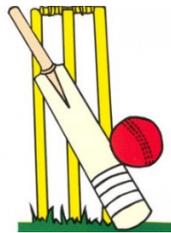

Wednesday 30th June 2021

The Year 5 cricket club enjoyed their first session in the rain with Miss Smith!

The year 6 borough sports team enjoyed their final session this week and are looking forward to their mini competition in a few weeks time!

A baby fox was found abandoned and underweight near the pond area last Friday. Thank you Miss Bell for liaising with the RSPCA so that she is now in the best care and being treated for dehydration.

Can you spare a few hours a week to become a reading helper at our school?

Our school is working with a charity called Coram Beanstalk to recruit and train volunteer reading helpers who can spare an afternoon or two a week to come in to school. As a reading helper you would hold reading sessions with some of our children on a one-to-one basis, giving those that need it extra support to practise reading skills outside of the classroom.

For more information or if you want to apply online, visit the website at www.corambeanstalk.org.uk and complete an application form.

Thank you very much for the fruit basket, 6M loved it!

6M had an amazing time at Go Ape Chessington. They were all so brave and put in 100% into all the activities.

6S' trip to Go Ape!

**SO
MUCH
FUN !**

Dear parent/carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools from Greater London from Monday 28th June to Friday 2nd July. It's all done online via <https://play.trockstars.com/>.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 07:00 and 19:00 on Monday 28th, Tuesday 29th, Wednesday 30th, Thursday 1st and Friday 2nd.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

If you have lost your child's log in, please contact your class teacher.

Thank you for your support,

February 2020

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using smile.amazon.uk whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:

KEEPING CHILDREN SAFE IN EDUCATION

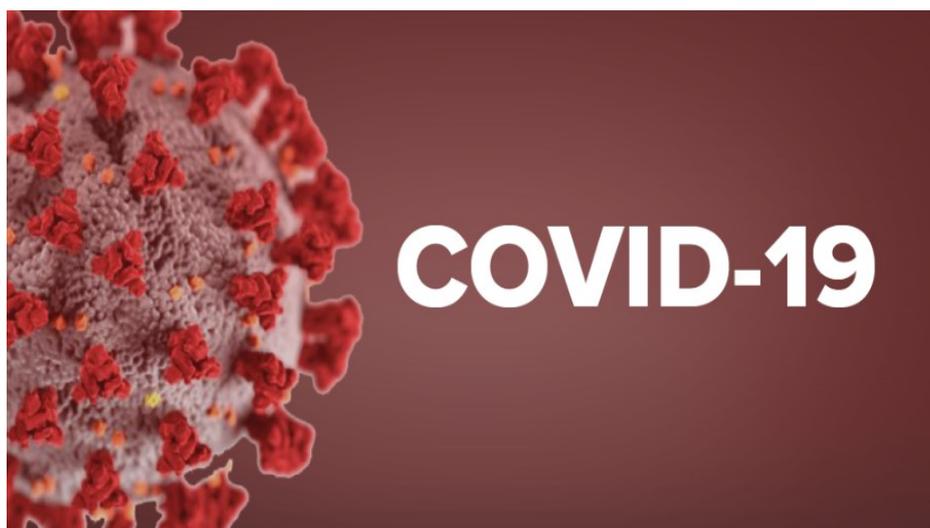

If you have any concerns about the safety or welfare of your child please speak to one of the designated child protection officers, you can also seek advice or guidance for the agencies below:

Patrick Tidd Head of School – D.S.L - Designated Safeguarding Lead

Helen Lockey Executive Headteacher – D.D.S.L. – Deputy Designated Safeguarding Lead

Fiona Johnstone/Emily Boswell - Co-opted Governor – with responsibility for Safeguarding

Mr Sej Bhabra—Chair of Governors

If you have **ANY** of these 3 coronavirus (COVID-19) symptoms, use this service to get a polymerase chain reaction (PCR) test as soon as possible—<https://www.gov.uk/get-coronavirus-test>

- a high temperature
- a new, continuous cough
- you've lost your sense of smell or taste or it's changed

You can order a PCR test kit to be sent to your home or book an appointment at a walk-in or drive-through test site.

If you have symptoms, you and everyone you live with must immediately self-isolate. Do not leave home until you get your test results, except to post a test kit or for a PCR test appointment.

PLEASE NOTE a Lateral Flow test should NOT be used if you have any of the above symptoms as these should only to be used if you are asymptomatic.

Once you receive your results (usually within 24 hours) please inform the school office before your child returns to school. Emails for COVID are monitored over the weekend.
