A MESSAGE FROM THE EXECUTIVE HEAD

This week a parent of HJS brought a matter to my attention which is very concerning. She had discovered that her child had been “groomed” online whilst playing the game Roblox and using the chat function. This type of social media app which has a chat function is aimed at children but has a guide age of 13 which is the same as Facebook and Instagram. I know that many children use them to chat to friends and some parents consider them harmless.

The child concerned is unharmed but her parents are rightly concerned about what happened and what could have happened and have reported this to CEOPS and the police. As a school, we talk to the children about online safety and have a series of lessons to teach them how to be safe online but parents also have a responsibility too.

Advice from CEOPS includes:

- Have an open and calm conversation about the consequences and dangers of using social media and games apps.
- Computers or devices to be accessed in family rooms not in bedrooms.
- If children are below the age of 13 they should be supervised on the internet as they are too young to keep themselves safe online,
- Know who they are talking to and which sites they are visiting.
- Review your child’s security settings on their phone or devices and ensure that the location settings are turned off, that phone numbers are not shared on any website or with anyone they don’t know.
- Some parents consider linking their phones to their child’s email accounts and also suggest no passwords are on the phones or these be shared with you.
- If your child becomes secretive or wants to hide the screen this is a cause for concern.

There is further advice and guidance on supporting children to help keep them safe online.

www.commonssensemedia.org - This website gives parents step by step guide to most social media/games available and informs parents about what the social media account does and how to make the account private along with other useful tips.

HPP schools will continue to take our responsibility for safeguarding the children online seriously but also encourage you to talk to your child about this.

If you have **ANY** of these 3 coronavirus (COVID-19) symptoms, use this service to get a polymerase chain reaction (PCR) test as soon as possible—<https://www.gov.uk/get-coronavirus-test>

- a high temperature
- a new, continuous cough
- you've lost your sense of smell or taste or it's changed

You can order a PCR test kit to be sent to your home or book an appointment at a walk-in or drive-through test site.

If you have symptoms, you and everyone you live with must immediately self-isolate. Do not leave home until you get your test results, except to post a test kit or for a PCR test appointment.

PLEASE NOTE a Lateral Flow test should NOT be used if you have any of the above symptoms as these should only to be used if you are asymptomatic.

Once you receive your results (usually within 24 hours) please inform the school office before your child returns to school. Emails for COVID are monitored over the weekend.

Messages from the Office

If you wish to change from packed lunches to school dinners or vice versa you must email the school office giving a week's notice. This change will then take effect on the Monday following this notice period.

Reminder that school lunches are charged at £11.50 per week and this payment must be paid in advance via Parentpay.

UNIFORM

Please ensure that all items of uniform are named. We have an abundance of uniform (some brand new) with no names inside and we are unable to reunite them with their owners.

WATER BOTTLES

PLEASE CAN YOU ENSURE THAT THESE ARE BROUGHT INTO SCHOOL ON A DAILY BASIS WHILE THE FOUNTAINS ARE OUT OF USE

WE ARE HIRING!

Would you like to join our friendly SMSA team (Lunch-time supervisor) at Hampton Infant School? The hours of work are between 11:45 and 1pm daily. Please call the school office for an application form.

MUSIC ACHIEVEMENTS

Akaal in 3E has passed his grade 2 drum exam with a very high merit and only 2 points off a distinction! This was Akaal's first ever exam so an amazing achievement. Well done!

Year 3 have been loving the TTROCK-STARS competitions recently. Well done to all of our winners

3MA have thoroughly enjoyed watching their butterflies grow

Year 3 have been putting their new skills to good use and practising their safer walking this week.

Please do ask them what they have learnt and help support them whilst crossing the roads

3E were also out practising their Safer Walking this week

3E's first artwork based on our River Thames theme and some Harry Potter themed Yoga which they really enjoyed

3H releasing the butterflies this afternoon

**3MA enjoying
creative art's week!**

**4C are enjoying creative arts week.
They sketched the school building Monday, explored the school grounds for different textures on Tuesday and recorded these by rubbing a crayon over them**

4W finally said goodbye to their butterflies. I think the children are going to miss their winged friends.

6S welcomed their fruit basket last week

The

Year six borough sports club enjoyed their first session this week. The children are training for the up-coming borough sports competition. No amount of rain can stop us from training!

South West London and St. George's 
Mental Health NHS Trust
Children's Wellbeing Practitioner Service

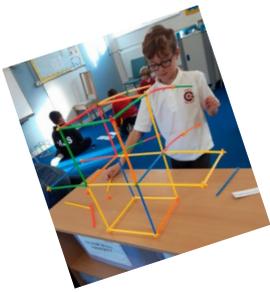

*Are you concerned about your child's anxiety levels?
Do they find it difficult to separate from you?
Are they having difficulties with sleep, or with friendships, or coming to school?*

Are you finding it difficult to manage some of your child's tricky behaviours (for example not following instructions, following bedtime routines, having tantrums, being rude)?

Children's Wellbeing Practitioners offer two programmes of support which you might find helpful.

Kathy is a Children's Wellbeing Practitioner who is based at Hampton Primary Partnership on Wednesdays. She works 1:1 with parents/carers to provide tools and strategies which will have a positive impact on mild to moderate levels of childhood anxiety and/or behavioural difficulties. These interventions are called Guided Self-Help and are offered as programmes consisting of 6 – 8 sessions. Guided self-help is based on Cognitive Behaviour Therapy (CBT) and means that you and Kathy will work together to help you manage the current difficulties by practising a range of skills which will give support in the future. If you would like to self-refer for this service, please talk to Melissa Talbot, Inclusion Manager, to let her know via the school office:
office.hisn@hpp.school or office.hjs@hpp.school |

BEFORE AND AFTER SCHOOL CLUB

FIT FOR SPORT

They offer a simple online system that allows parents to book sessions which run until 6pm. They have limited spaces available at this time so please do book as soon as possible. Hayley is the site manager and will be working closely with her colleague Rylan to run the provision.

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using smile.amazon.uk whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:

CORONAVIRUS STAY ALERT TO THE SYMPTOMS

**HIGH TEMPERATURE
OR NEW CONTINUOUS COUGH
OR LOSS OF TASTE OR SMELL?**

No one in your household should leave home
if any one person has symptoms.

Find out how to get a test, and how long to
isolate, at [nhs.uk/coronavirus](https://www.nhs.uk/coronavirus)

STAY ALERT ▶ CONTROL THE VIRUS ▶ SAVE LIVES

If ANY of your family have ANY COVID symptoms please stay at home until you have received a negative test result.

You will need to need to take a full PCR test before returning to school NOT a lateral flow test
