

Hampton Junior School

A MESSAGE FROM THE HEAD OF SCHOOL

It has been great to see the year 6 children working so hard to prepare and film their end of year performance 'The Greatest Showman'. I am in the privileged position to be able to see rehearsals and the costumes and props look amazing. It's testament to the spirit of the school staff and parents that despite obvious difficulties this year, such a curriculum opportunity is able to run, albeit as a video rather than in person performance. We very much look forward to seeing the finished film.

The year 3 children had a lively experience with Safari Pete last week. He engaged the children with a variety of animals but also with interesting facts about biodiversity and sustainability. Please have a look at the photographs in the newsnotes.

In the classrooms, children have been creating a variety of DT projects such as 'moving monsters' and electric lanterns as part of our DT weeks. They have given children the opportunity to learn and showcase a bigger range of skills - a big thank you to Ms Newton who has led this.

Finally, a reminder that as the end of the term approaches, it is still vitally important that children attend school every day (unless sick) and are on time in the morning. Now more than ever we need to maximise the time that children are learning due to the disruption of the last 18 months.

Have a lovely weekend

Mr Tidd

HJS PRINCIPLES

Each month the school will focus on a different principle.

This month is:

STARS OF THE WEEK

3MA— Teddy Beaumont

HJS ACHIEVERS

With the reopening of ice rinks after lock down Ethan has returned to play ice hockey for the Slough Jets Under 9s. Excitingly, he was recently called up to play his first match for the U11s in a 9-1 victory over Romford Raiders, where he registered an assist and won the Spirit of the game award.

The following children had the following exam success in clarinet

Louis Brati - grade 1 merit

Rupert Mattia - grade 1 merit

Heath Gardner - grade 1 distinction

Scott Richardspon - grade 2 distinction.

MESSAGES FROM THE OFFICE

Whilst we appreciate there are lots of things to remember each day the office are getting increasingly inundated with items brought in by parents during the course of the day (PE kits, water bottles, glasses etc) and cannot guarantee that these items will be passed onto the children immediately.

Please can you check each day that your child has what they need for the day. Thank you

FACE MASKS

Please may we remind you that if coming into the school office you must wear a mask or face covering.

Secondly, when coming into the playground if you feel you cannot be socially distant from other adults, please may we request that you wear a mask. We understand some people may be exempt.

Thursday 15th July
Reserve date—Friday 16th July

Sports Day will be going ahead on the 15th but will be slightly different this year.

All year groups will be participating separately and we hope we will be able to invite parents to spectate. Further details (including class timings) will come out in due course. A decision on spectators will be made nearer the time depending on the CV-19 situation.

Can you spare a few hours a week to become a reading helper at our school?

Our school is working with a charity called Coram Beanstalk to recruit and train volunteer reading helpers who can spare an afternoon or two a week to come in to school. As a reading helper you would hold reading sessions with some of our children on a one-to-one basis, giving those that need it extra support to practise reading skills outside of the classroom.

For more information or if you want to apply online, visit the website at www.corambeanstalk.org.uk and complete an application form.

3S made some new friends last week

3MA Animal experience

3MA Animal experience

3MA had an excellent time seeing all the different animals last Friday with Safari Pete!

**3MA created moving monsters in.
Don't they look fantastic.**

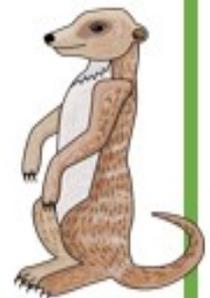

3H

3H really enjoyed our visit from Safari Pete and all of his exotic animals. We really liked getting to hold the different animals and learning all about them. Our favourite animals were the meerkat and the crocodile. More photos from the visit can be found on Facebook.

4C made some beautiful lanterns

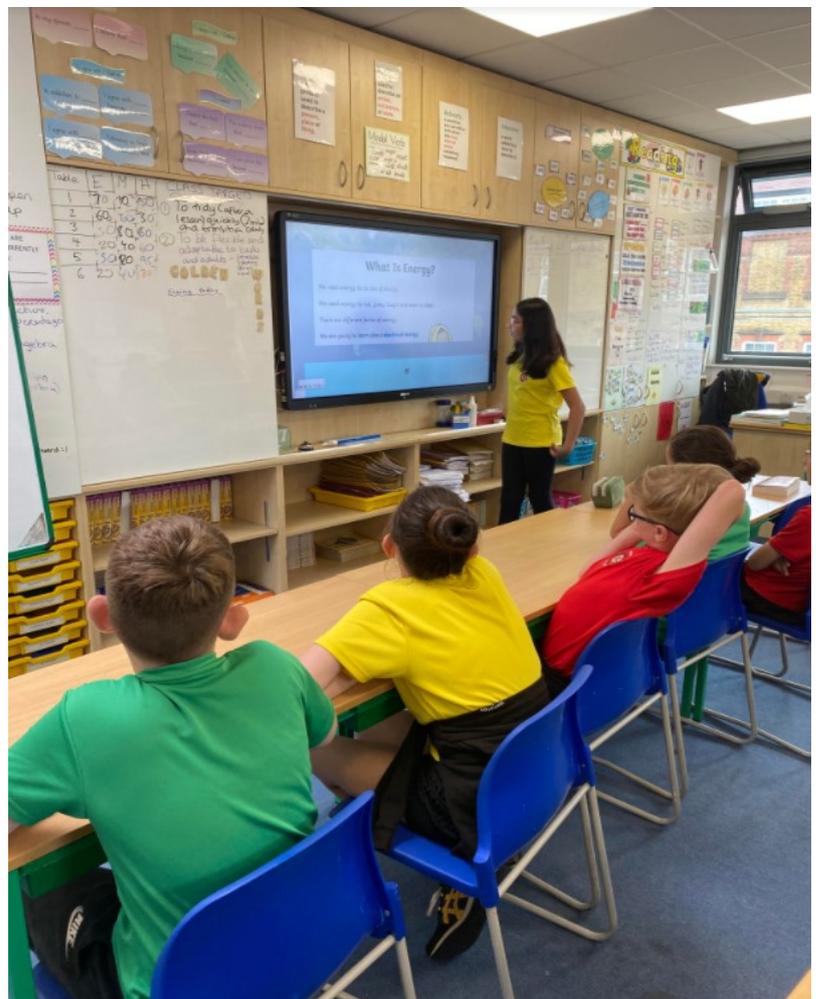

Here are 4W's amazing lanterns which they made during DT week. The lanterns were designed and built by the children to include an electrical circuit and even a switch to turn the lamp on and off!

6G enjoyed their first presentation from our Eco representative. Well done 6G as you came up with some really good suggestions for how to save energy within school.

**Year 6 were rehearsing hard last week for their performance.
Its going to be amazing!**

FOHJS PROUDLY PRESENTS

Roll up, roll up the CIRCUS is coming to town on June 28th!

We may not be able to hold our normal HJS summer events this year but we are thrilled to have been able to arrange a circus day for the whole school on Monday 28th June!

There will be a big top, circus show and circus skills workshops for all the children (and all operating within COVID-19 guidelines).

To cover the cost of this amazing event we are kindly asking for a contribution of £5.00 per child payable via the PTA Event site: <http://bit.ly/HJScircusevent>

Every child will take part regardless but in a year that has been very tough for fundraising, we would love to be able to at least cover the cost of the event and, should you be able, there are options to pay an additional donation amount.

As we approach the end of the school term, and on the back of a difficult year, we hope that bringing in all the circus fun will put a smile on everyone's face and help end the year on a high note!

Dear parent/carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools from Greater London from Monday 28th June to Friday 2nd July. It's all done online via <https://play.trockstars.com/>.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 07:00 and 19:00 on Monday 28th, Tuesday 29th, Wednesday 30th, Thursday 1st and Friday 2nd.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

If you have lost your child's log in, please contact your class teacher.

Thank you for your support,

activity for four days a week
for four weeks of the summer.
A healthy meal will be available
each day.

All partners are working within
Covid protocols, and relevant
changes will be made to
programmes if necessary.

*Alongside local partners, Achieving
for Children is working with funding
from the Department for Education
to provide a summer holiday activities
and food programme (FUEL).

Dear Parent/Guardian,

We hope you are well and that your child/ren is enjoying the summer term and the warm weather!

Ahead of the summer holidays, we wanted to let you know about the brilliant new Holiday Activities and Food programme which is operating in your local area. We are helping to launch a new film to promote the programme so parents know that their children can get involved in a local holiday club when the school term ends this July.

We know that the holidays can be a really difficult time for families who are struggling to make ends meet or who are juggling work and childcare. The holidays should be a time for every child to enjoy themselves rather than worrying about having enough to eat or how they can spend their free time.

That's why we're really excited about the summer holiday programmes that are being funded by the Government and will take place across the whole of England. This was recommended by the National Food Strategy when it was published last year. A petition supporting the recommendation was signed by over 1 million people.

Places on the holiday schemes are available for free to children who receive free school meals, but children and young people of all ages and backgrounds are welcome to attend. Each local programme will provide delicious, healthy meals, allow kids to get active, help them learn new things, make friends and have fun. And that is what the holidays are all about!

You can find out more by watching this new film that we've made: <https://youtu.be/KDgm8KpXAXE>

The holiday programmes are open to children of any age and are free for children eligible for free school meals. They will:

- Provide a safe and supportive environment for children
- Be led by experienced local coordinators teaming up with a range of different partners in their communities
- Serve children tasty and nutritious food and opportunities to learn about food and nutrition
- Organise lots of activities so every child can find something they enjoy - from Kung Fu and cooking to bushcraft.
- Keep children and young people happy, healthy and active
- Offer a flexible childcare option for busy parents

You can find out exactly what's available in your local area either by visiting your council's website or by searching online for HAF (that stands for Holiday Activity and Food).

We hope you and your family have a great summer with the Holiday Activities and Food programme!

Yours sincerely,

Marcus Rashford MBE

Henry Dimbleby MBE (Founder of Leon, Independent Lead of the National Food Strategy)

February 2020

Dear Parent / Carer

The Hampton Junior School Amazon Wishlist has been updated! It's a great way to show support of the amazing staff at HJS. Of course, as always, purchasing items from the wishlist is completely voluntary. We ask that if you do purchase an item that you use "gift options" if available to note the teacher the item is being purchased for. Gift options won't always be available, so we also ask that you send an email to the info@ address for the school letting the front office know what has been ordered and who it is for so it can be properly distributed once it arrives. When you order an item, you are using your personal Amazon account but the item is being sent to the school. It's simple! Please consider using [smile.amazon.uk](https://www.amazon.co.uk/smile) whenever you make Amazon purchases, as it's an easy way to donate a portion of your spending to HJS (if you select them as your choice).

In these ever-changing times, teachers are requesting items such as tripods and webcams that may make home learning easier to accommodate live sessions as well as wipes to sanitise items at school. There are many great items on the wishlist that are needed for all children once they return as well and for the children now at school, so please feel free to browse the wishlist using the link below:

KEEPING CHILDREN SAFE IN EDUCATION

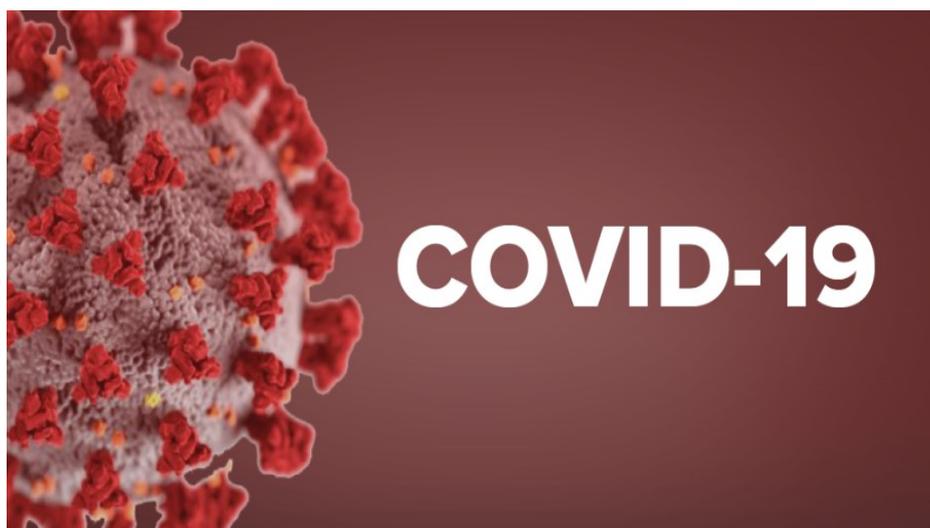

If you have any concerns about the safety or welfare of your child please speak to one of the designated child protection officers, you can also seek advice or guidance for the agencies below:

Patrick Tidd Head of School – D.S.L - Designated Safeguarding Lead

Helen Lockey Executive Headteacher – D.D.S.L. – Deputy Designated Safeguarding Lead

Fiona Johnstone/Emily Boswell - Co-opted Governor – with responsibility for Safeguarding

Mr Sej Bhabra—Chair of Governors

If you have **ANY** of these 3 coronavirus (COVID-19) symptoms, use this service to get a polymerase chain reaction (PCR) test as soon as possible—<https://www.gov.uk/get-coronavirus-test>

- a high temperature
- a new, continuous cough
- you've lost your sense of smell or taste or it's changed

You can order a PCR test kit to be sent to your home or book an appointment at a walk-in or drive-through test site.

If you have symptoms, you and everyone you live with must immediately [self-isolate](#). Do not leave home until you get your test results, except to post a test kit or for a PCR test appointment.

PLEASE NOTE a Lateral Flow test should NOT be used if you have any of the above symptoms as these should only to be used if you are asymptomatic.

Once you receive your results (usually within 24 hours) please inform the school office before your child returns to school. Emails for COVID are monitored over the weekend.
