

A MESSAGE FROM THE HEAD OF SCHOOL

Dear Parents and Carers

Bienvenue à la lettre d'information de cette semaine!

Monday's Day of European languages was a wonderful way to start the week. May I say a huge **thank you** to all those parents that volunteered their time to come in and work with classes - the children were so enthused and I have heard many of them talking on the playground about their experiences. So, thank you!

With over 440 children in the school, clearly the beginning and end of the school day is very busy. This means that **we all need to take responsibility for keeping children safe**. If you do need to drive to school, please remember to park considerably and legally. Parents are not allowed to park on double yellow lines or on the zig-zag lines near the crossings. Parking here is illegal and dangerous. Thank you for your support in ensuring we keep all our families safe.

Today was the school's annual Sponsored walk. This is always a wonderful event which allows the whole school to come together in a fun and healthy way. Your children ran, walked and skipped their way around many laps. Now it's over to you! Please sponsor your child if you are able to do so. All money raised goes directly into improvements within the school.

I hope you all have a lovely weekend.

Jon James

Local Offer leaflet

We have developed a new leaflet to raise awareness of the Local Offer in Kingston and Richmond and some examples of the types of information and services that can be found on the website. We have based the leaflets on the "[New to SEND](#)" section of the local offer and also included services and support that we know parents are often not aware of. Further details can be found at :

Karen Finnegan

Parent Support Advisor

Hampton Primary Partnership

Parent Support Advice Clinic

My name is Karen and I have worked over the partnership for the past two years supporting parents and children with any issues that affect family or school life.

I have worked with children and families for over twenty five years and have built up a wealth of knowledge and experience during this time. I also have two grown up children of my own so I know first-hand how difficult being a parent can be at times.

I can offer support with behaviour and boundary setting, sleep, diet, bereavement, housing, benefits, struggling with family finances right through to signposting to local and national support services.

We all need a little help from time to time so if you need some advice or support or maybe just a friendly listening ear about any worries you may have why not come along for a chat to my half termly advice clinics. You can also contact me directly if you would like some support or advice.

The date for the next clinic will be Friday 30th September 12.30 – 2.30pm at HISN. You can book by calling 07471234544 or email kfinnegan@hpp.school. Please feel free to book regardless of whether your child attends the Junior or Infant school.

I am very much looking forward to meeting you all for a chat at the school gates so please look out for me and say hello. My very best wishes to you all.

Karen.

Please ensure that your child has a healthy snack for afterschool if they are attending a club.

It has come to our attention that some children have had sweets for their snacks which are not appropriate. Fresh fruit, dried fruit and vegetables are healthy options.
