

# Nursery Weekly Newsletter

## What have we been doing this week?

- In the run up to Christmas the children have been singing carols, learning about the Christmas story, making decorations and adding baubles and tinsel to our little tree.
- The Christmas shopping went very well! Thank you to the hard-working elves who made the event run smoothly and got everyone into the Christmas spirit of giving.
- Thank you to everyone who bought the gingerbread biscuits that the children had made with great excitement. We are very grateful for your 50p donations.
- The children have been busy planting narcissi and daffodil bulbs in the large wooden trough nearest the Reception playground. There are lots and lots of bulbs asleep under the soil which should make a delightful show in the Spring.
- Reception classes invited Nursery to watch the dress rehearsals this week for their Christmas show, which is always great fun for everyone whilst ensuring that those with siblings in Reception get to see them perform.
- We really enjoyed looking at the counting song videos you put onto Tapestry! It is very meaningful to the children to share special moments in this way.

## What will we be doing next week?

- More Christmas making and practising our Christmas songs ready to sing with you in the last week of term.

## Reminders and Information

- Christmas **parties** will be on Wednesday 18<sup>th</sup> December.
- We will be inviting parent and carers into the Nursery on **Friday 20<sup>th</sup> December** to come and **sing festive songs** together. Am parents/carers are invited at 8.30am and PM parents/carers at 12.30pm. You may take your child afterwards if you wish.
- The school finishes at 1.20pm on Friday 20<sup>th</sup>.

### Learning at Home:

The children have been very interested in coins since after train ticket role-play this week. To encourage further interest and understanding set up a toy shop at home. Price some toys at different values under 5p using sticky labels. Take turns to buy toys using 1p coins.
