

Nursery Weekly Newsletter

What have we been doing this week?

- The children have practised singing Christmas songs every day and are getting better and better!! They are gradually gaining confidence in singing these songs, some of which are of course new to them.
- We have had new outdoor equipment delivered this week; red crates, tree-trunk stepping stones, planks and half barrels all for the children to explore and construct with. They thoroughly enjoyed balancing, stepping up and down and through a course which we set up for them as a starter. The length of time that many of the children spent on this activity was testament to how much they got out of it. Each time they completed a circuit we saw evidence of increasing whole-body physical skills.
- Festive salt dough decorations have been made by the children, cooked ever-so slowly in the oven and decorated for the children to bring home and hang up.

What will we be doing next week?

- As the end of term draws very close we will be enjoying a fun week ahead. We are all very much looking forward to our party on Wednesday and Carols on Friday.
