

Dear Parents and Carers,

We at Fit For Sport are delighted to be launching our Active Schools programme here at Hampton Infant and Junior School in January 2020 and our Extended School services at Hampton Junior School after Easter 2020.

Lunchtime Play Support

On Monday 6th January, Fit For Sport will begin to provide additional lunchtime play support across both schools with our staff supporting on Mondays and Tuesdays at the Infant School with Year 1 and 2 and on Thursdays and Fridays at the Junior School. Children can look forward to taking part in inclusive playground activities that will not only encourage participation but also ensure that everyone has fun and stays active.

Extended Schools at Hampton Junior School

Following the Easter break, from Tuesday 21st April, Fit For Sport will also be launching our Extended Schools service at Hampton Junior School which will provide pupils and parents of the Junior School with access to high quality, Ofsted registered provision, ensuring children keep active and have fun in a safe and supportive learning environment. Our provision will operate from 7:45-8:45 (Breakfast Club - £4.50 per day) and 15:15-18:00 (After School - £12 per day), providing optional childcare for parents before and after school. Parents will be able to book onto these sessions after February Half-Term and Fit For Sport will have staff available to speak to on various days throughout the Spring Term to answer any queries and offer further insight into our provision.

Due to initially restricted space availability – Fit For Sport will be operating our Extended Services from the Nurture Suite with access to outdoor space during Breakfast provision and once After-School Clubs finish after school – spaces will be limited to 24 at these provisions.

Fit For Sport operate a flexible booking policy, meaning that you can make use of our services when it suits you, with bookings being able to be made up to 14:30 each day as we understand that circumstances can change throughout the day. However, due to the limited spaces available, please note that all spaces will be provided on a first-come-first-serve basis. If your child/children currently join an after-school club at Hampton Junior School, you will still be able to book into Fit For Sport and our staff will arrange the collection and registration of your children after the club has finished.
