

Dear Nursery Parents/Carers,

We would like to invite you to join the Nursery on **Friday 10th December** for some festive songs that the children have been learning.

- Morning Nursery will be sharing their songs **at 11.00-11.30am.**
- Afternoon Nursery will be sharing their songs **at 2.30pm-3.00pm.**

Children are to wear their school uniform as normal and have made festive headbands which they are excited to wear. We have thought carefully about how we can best support the children to feel settled and confident in their performance and felt staying in uniforms would help them to do this.

Please ensure you arrive on time to the Nursery via the Nursery entrance as we will be closing the gate ready to begin promptly at 11am and 2.30pm.

We are able to accommodate one guest per child in the Nursery to watch the performance. If a family has twins then two guests will be permitted. There will be a signing in sheet when entering to ensure we have the contact details of the adult and to ensure one guest per family.

You are welcome to take your child home after the singing has ended. Please note that the singing will be recorded and shared via Tapestry.

If the National guidance changes significantly or the school were to have an outbreak of COVID-19 cases prior to the week of the Christmas Performances, we would need to introduce measures to limit the spread of COVID. One of these measures would be to operate again in class bubbles and to limit visitors to the school. In this case the children would not be able to perform to a live audience.

Please make every effort not to bring younger siblings, space is very limited in the Nursery classroom. Any siblings which do attend will need to sit on an adult knee.

We hope you are able to join us on Friday 10th December and thank you for your continued support.

Many thanks,

The Nursery Team
