

15th September 2023

Dear Parents / Carers,

**SPELLING FRAME HOMEWORK**

This term, HJS will be introducing the use of an on-line platform, Spelling Frame, to support the pupils' weekly homework. Spelling Frame is a simple, yet effective resource which allows pupils to practise, test and play games linked to their weekly spellings. Although the programme will be our main focus for Spelling homework, we will also be using the platform in school to further enhance and apply their weekly spellings. The platform also has the capability to provide worksheets which may also be used to support your child's learning.

The expectation is that the spellings should be practised at least 5 times per week and the new spellings will be allocated to your child's account every Monday.

Below is a user guide on how to use the online platform. Your child's log in details will be stuck into their home-school diary. We will begin to use this resource week commencing **Monday 18th September**. From this point, spellings will not be written into their diaries.

User Guide:

1. Visit the Spelling Frame website at <https://spellingframe.co.uk/>
2. In your child's home-school diary you will find their log in details.
3. On your child's home page, you will find the current **Active Tests**. Press 'Go to test'. This will allow them to practise their weekly spellings and also, when they are ready, take the test. Please note that all children will be tested on their words in class on a weekly basis. The test function should be used at home for additional practise.

Watch and listen as each word in the list is broken into either syllables or phonemes and sounded out.

Choose from a range of activities to help you learn the spelling of your chosen words.

Choose to practise spelling the words on your list or take a test with them. If you choose to take a test, your scores will be recorded and sent to your teacher (if you are logged in) or they can be downloaded and printed.

4. You will also find on their homepage other games and activities that they can play to support their spellings ability.

If you have any questions about how to access or use Spelling Frame please contact your class teacher.

Thank you for your support,

Mr Jon James
