

Dear Parents/Carers,

Re HJS staffing for academic year 2020-21

As the end of the summer term approaches, and the new academic year is in sight, we would like to share the changes in staffing for the coming year. Despite national difficulties around teacher recruitment, we're delighted that HJS will remain fully staffed with an excellent team.

Teacher Changes

We are very sad to be saying goodbye to Mr Josh Brain, Miss Natalie Taylor and Miss Alysha Logan at the end of this term.

Mr Brain has decided to broaden his experience outside of the UK and will be taking up a position in Dubai. He joined the school as an NQT and has been at HJS for 3 years. He has taught in year 4 and 5 and has been part of the team leading PE within the school.

Miss Taylor will be taking up a position in Vietnam in September, she has also been in the school 3 years and like Mr Brain started as an NQT. Natalie worked alongside Josh ensuring HJS's PE curriculum was of the highest quality.

Miss Logan will be returning to Canada to continue her career. She has been a member of the year 5 and 6 team and has been part of the staff for 5 years. She has been a huge contributor to the school in many ways and has recently worked hard leading the school computing programme. Saying goodbye to beloved teachers is always very hard but I know you will join me in thanking them for their tremendous contributions to HJS, and to wish them well in their exciting international adventures.

Miss Gemma Delaney and Miss Nabilah Mahmood will be returning from their maternity leaves at the end of summer term. Both will return on a part time basis and Miss Delaney will resume her position with the Leadership Team.

We are pleased to introduce you to four new members of staff, Miss Georgia Stanley, Mr Tom Elson, Miss Daisy Peaty and Mr George Graves. Miss Stanley is an experienced teacher, whilst this will be Mr Elson, Miss Peaty and Mr Graves' first appointment. They are all excited to be joining such an excellent school.

Miss Stanley

"Hi! My name is Miss Stanley and I am going to be a Year 3 teacher next year. I know Year 3 is a big year with children moving up to the Junior School and I am looking forward to helping the children get settled in and enjoying their learning. I like being creative, cooking and eating good food and I am a big Liverpool FC fan. I cannot wait to meet everyone and get started!"

Mr Elson

“I’m passionate about providing each pupil with an exciting, positive and progressive education. I will be helping children develop their skills and knowledge no matter what the subject, whilst also incorporating creative teaching and outdoor learning when possible. My hobbies include exploring worldwide culture, health & fitness and playing a variety of sports.”

Miss Peaty

“Hello, I am Miss Peaty. I have just completed a 3-year degree in primary teaching at Kingston University, allowing me to teach a range of year groups and I'm looking forward to using all of this experience in the new year. I am new to the area and really looking forward to joining Hampton Junior School.”

Mr Graves

“Hi I’m Mr. Graves and I will be a new year 4 teacher in September. I am very eager to get started at HJS as the children embark upon the next step of their educational journey. I am most looking forward to a new beginning and a fresh start for both the children and myself as we brace ourselves for a year full of valuable experiences and memorable achievements.”

Leadership appointments.

Sarah Parsons will be joining the year 2 team at HISN, she will retain her place on the Leadership Team at HISN

New Classes for September

As a result of the current situation, transition for all the children this year will be very different. All children will have the opportunity to meet their new class teacher before the end of term as well as receiving age appropriate transition materials as part of the year group work. We want to ensure that the children are looking forward to returning to school in September. Please take time to view the YouTube links to the welcome messages from the new class teachers.

Following careful consideration and advice from the Educational Psychology Service, we will not be mixing year 3 this year. They will be mixed at the end of year 4.

I have great pleasure in sharing the staffing and classes with you.

HJS Class Teachers 2020-21

Class Teacher	Class name (2020-21)	Current class (2019-20)	Link to Youtube

Lily Smith	6S	5M	https://youtu.be/-4dfxRpQP6Q

If you have any questions regarding the staffing for the coming academic year please don't hesitate to contact us on the info@ address.

Finally

We are incredibly proud of all of the staff at HPP. Even during these trying times they continue to demonstrate outstanding commitment to the children. They have continued to work incredibly hard, and shown passion in everything they do. HJS and HJSN are excellent schools because of the staff.

Yours sincerely,

Helen Lockey
Executive headteacher
