**Reading & Phonics**

We ask that you please continue to read with your child five times a week and record this in their home school diary. The children will continue to read with an adult in school once a week, when their book will be changed, and we will be assessing their progress continuously.

Phonics continues to be taught daily in class. During these lessons, children are taught the three essential skills of segmenting, blending and phoneme manipulation necessary for reading and spelling. The children are taught how to:

- Recognise the sounds that each individual letter makes; identify the sounds that different combinations of letters make e.g. ai, ow, oy;
- Blend these sounds together from left to right to make a word.

Be a good listener

Be respectful towards yourself, others and the school environment

Be hard working and challenge yourself

Be responsible

## Key Information:

Please label **everything**, including coats and shoes!

If your child arrives after 9:15am they will need to go to the office to collect a late card. If pick up arrangements change during the day, please phone the school office no later than 2:30pm to let the admin team know who is going to be collecting your child. When the named person arrives, they will need to go the school office to pick up a collection card which gives the teacher permission to release the child.

Please send your child to school with their book bag **every day** so they can change their book regularly.

Please supply your child with a bottle of **water**, clearly labelled with their name. Please fill bottles with water rather than any other type of drink.

Remember any messages for the day, e.g. a change in collection or a playdate, should be given to the member of staff in the playground from 8:50.

Please ensure your child has the appropriate labelled clothing for both playtimes and outdoor PE sessions. Wellington boots should both be labelled and brought to school in a labelled plastic bag to hang on your child's peg.
