The Science Machine – Monday 25th September

Dear Parents/Carers,

As part of Year 5's science topic 'Earth and space' we have an exciting event organised. On Monday 25th September, Freshwater Theatre will be visiting the year group with an action-packed 60 minute workshop for each class. This workshop provides pupils with opportunities to widen their knowledge of the topic through interactive learning with an experienced facilitator.

We rely on parental contributions in order to be able to run the wide variety of visits and workshops that the pupils at HPP enjoy. The contribution we are requesting on this occasion for each pupil is £5. Please can this payment be made **by Wednesday 20th September** via Parent Pay. Whilst payment of this is voluntary, if we do not receive sufficient contributions in order to run the visit/workshop then we will cancel it and a full refund will be made.

If you have any questions, please do not hesitate to get in touch with your child's class teacher.

Many thanks,

Miss Cooper, Miss De Beer, Miss Higginson and Miss Smith
