

Nursery Weekly Newsletter - 20th May

This week we have been 'All Aboard for the Bobo Road' looking at the wonderful sights that Fatima and Galo saw on the way to Bobo. The children enjoyed counting the various pieces of luggage that were added to the bus as the story went along and talking about how different it is to travelling on a bus here in England. We also learnt some facts about Africa. We learnt that Africa is one of seven continents, has lots of different types of terrain and famous features such as the Sahara desert and Mount Kilimanjaro. In phonics this week the children loved playing a guess who game, listening carefully with their eyes closed as one friend spoke and then having to guess who was speaking. We have also heard lots of wonderful positional language from the children in our maths lessons and whilst the children have been learning through play.

If any of our families have any picnic resources which they no longer use we would love to reuse them in the Nursery. We are also on the hunt for a bucket bbq for the children to play with if anyone is happy to donate one, thank you.

Please see below a brief summary of what your child will be up to next week along with some additional reminders. If you have any questions, please email office.hisn@hpp.school and we will try and get back to you as quickly as possible.

Week beginning 23rd May

- Next week we'll be learning about Queen Elizabeth and celebrating the Platinum Jubilee with lots of activities linked to this.
- In maths we will be exploring our daily routine by talking about and ordering the events of our day such as waking up, coming to school, having dinner and going to bed.
- In phonics we will be exploring voice sounds. We will work on the children's ability to tune into sounds, listen and remember sounds and talk about them too.
- Our Expanding Our Vocabulary (EOV) words for this week are: Queen, Jubilee, and celebration.

We will be supporting the children in:

- Recapping rules and routines in our classroom/garden
- Taking responsibility for our belongings and where things belong in our environment
- Managing our toileting needs independently
- Learning how to use our words to express our feelings and needs
- Developing our friendships across the Nursery
- Recognising their name independently and learning how to write it
- Recognising numerals and different representations of numbers
- Learning how to resolve conflicts
- Developing strategies to regulate their emotions

Our focus story next week is a Little People, Big Dreams book called 'Queen Elizabeth'. The children will learn about Queen Elizabeth and why we are celebrating the Platinum Jubilee. We will also explore London as a place, create Jubilee decorations and enjoy a parade on Thursday.

What would you do if you were a king or queen for the day?

Time to talk: An idea this week is for you to talk with your child about what you would do if you were king or queen for a day. Perhaps you would invite schools to your palace to learn about history or you would throw a big garden party for everyone to enjoy.

Some important information and reminders:

- **Thursday 26th May:** Children are invited to dress in red, white or blue or as kings or queens as we celebrate the Platinum Jubilee.
- **Friday 27th May:** INSET day - school closed.
- **Warm weather:** As the weather starts to improve we ask that every child brings a sunhat to school with them, preferably one which also covers their neck if possible. Please also apply sunscreen before the session. We spend lots of time out in the garden and want to ensure the children are protected in the sun. Please ensure their hat is clearly labelled. Please do not send sunglasses in as these can cause injuries should your child fall whilst running or playing. We would also like to remind you that children should bring a labelled bottle of water to Nursery every day, especially during the hotter days. Thank you for your support with this.
- **Parent Support:** Karen Finnegan is our wonderful family support advisor here at the school and has a wealth of knowledge and expertise in supporting families on a wide range of topics such as bereavement, toileting or behaviour at home to name a few. If you would like to speak with someone or feel that you would like some advice please feel free to contact Karen using the following contact details: kfinnegan@hpp.school.
- **Labelling belongings:** Please be reminded to label all of your child's belongings including cardigans, jumpers, hats and water bottles. We often find that we have items with no name on them and this makes it difficult for us to return them to the correct home. We appreciate your support with this.

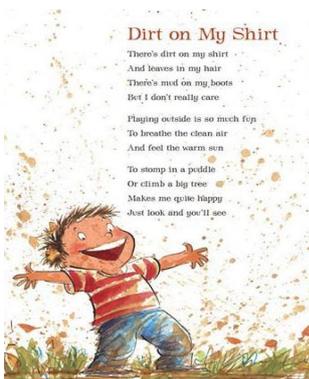

Amazon Wishlist: There are a number of other resources on our wishlist which we would love to be able to add into the Nursery provision. If you would like to support us with this please speak to the Nursery class representatives. Thank you.

- **Spare change of clothes:** Please can **all parents send in a labelled, spare change of clothes to be kept in your child's book bag.** Unfortunately the spare clothes we have at school are not being returned and therefore when a child needs changing we do not have the right clothing for them. Providing clothes from home also ensures that the child feels more comfortable as the uniform/underwear actually belongs to them and fits them correctly. Please speak to a member of the Nursery team if needed.
- **Sensory/messy play resources:** We have currently run out of salt and vegetable oil for making playdough. If you are happy to make any donations we would really appreciate it. Thank you.

Change of Pick Up:

- Please ensure that you email the office and also speak to a member of the Nursery team if your child is being collected by a different adult or going home with another child. This also applies if your child needs to be collected early from school.
- We also ask that you ensure the person collecting is old enough to be collecting a child from school.
- The children's safety is paramount to us so a member of staff may ask who someone is if we do not recognise them.
- Please keep an eye out for your child when they are dismissed and come to greet them when they leave the Nursery premises. Thank you for your support and cooperation with this.
- **PE:** Just a reminder that our Nursery PE sessions are every Tuesday. Please ensure your child is wearing trainers and the appropriate clothing for PE.

Play in the Nursery: Play is a fundamental part of our approach to Early Years here at Hampton Infant School and Nursery. We offer the children opportunities to explore, get messy, make, create, move, discover, experiment, talk and more. Our mud kitchen, sand and water provision are popular places in our Nursery and offer a huge range of learning opportunities. Your child's clothing may get wet, dirty or a little messy in the process of learning but it helps to show you what your child has been engaged with and learning whilst at Nursery. We thank you for your support and understanding in this.

- **Borrow a Book:** Just a reminder to please ensure that your child does not put their water bottle into their book bag. A number of our books have returned wet or damaged. Please also encourage your child to handle their book with care. Books are to be returned **every Thursday** so that we can provide your child with a new book each Friday. Thank you.
- **Junk modelling materials:** If you have any of the following junk items we would love to make use of them in the Nursery and recycle them into wonderful models.
 - kitchen roll tubes
 - tin foil boxes
 - toothpaste tubes
 - shoe boxes
 - any other cardboard container (except food packaging)

Please note that we are unable to take any food boxes or wrappers.
- **End of the day pick up** - We ask that when you are collecting your child you wait along the wall beside the Nursery gate and then move over to the railings when the child you are collecting has been called so that they can clearly see the adult picking them up. This helps us to ensure that the end of session dismissal runs smoothly and the children find their adult with ease.

Please ensure you drop your child off on time at the start of the Nursery session as this is key to helping them settle for the morning/afternoon and is important when helping your child adapt to the Nursery routines.

Things to bring to school:

- **A pair of wellies** - we ask that each child bring a pair of wellies to school (labelled with their name) which will be left at Nursery so that during the wet months the children have appropriate footwear whilst in the garden.
- **Water bottles** - please make sure these are named and are filled with water instead of juice. We ask that the children do not put these into their book bags as they may damage any letters, pictures or books which may be inside.
- **Raincoat** - just a little reminder that your child comes to school with a coat, (even if it is a pack-a-mack!).
- **Red School Book bag**

Please ensure all items listed above are clearly labelled
