

22.2.22

World Book Day 2022

Dear Parent/Carer,

World Book Day celebrates the joy and value of books and reading, especially for children. To encourage and help them on their reading journey, every student will receive a £1 book token which can be exchanged for one free World Book Day 2022 book or £1 off a book costing £2.99 or more. You can find out more information about this on the token given or the World Book Day website.

- **Dress up Day**

To celebrate World Book Day on **Thursday 3rd March**, the children are invited to dress up as a character from their favourite book. Lots of children love to dress up, however if your child is reluctant to dress up then they can attend school in their home clothes for this day. Staff will also be joining in and we are looking forward to talking about our favourite books with the children.

There are lots of other activities planned for the week, please see details below for some of the main highlights.

- **Author visit**

Lucy Reynolds and Jenna Herman will visit on **Friday 4th March** and host assemblies for all of the children from Nursery to Year 2. This visit has been funded by HISNA and we would like to thank all the parents and carers for their ongoing support to the school.

If you would like to purchase a signed copy of their latest book "We are Family", please complete the [eForm](#) by **Tuesday 1st March** to pre order your copy. The cost of the book is £12.99 and payment for the book will be via Parent pay. We will add this payment to all the Parent pay accounts but this does not mean you have to pay for it, we will use the completed eForm to check for orders and payments due. **Only complete the eform if you want to order the book.** If you are ordering the book we ask that all payments are made by **Thursday 3rd March**. Children will only receive a copy of the book if the payment has been received.

- **Dance and movement workshops**

Children in Nursery to Year 2 will be taking part in dance and movement workshops inspired by books with dance company West End in Schools. In the sessions the children will work alongside a professional choreographer to explore movement and create a dance that retells a story from beginning to end.

We know the children will enjoy celebrating their love of reading during this week and thank you all for your continued support.

Yours sincerely

Claire Tester
Head of School
