

28th January 2022

Year 2 Scooter Training

Dear Parents/Carers,

The Year 2 children have been offered free scooter training by the Safety Officer for the London Borough of Richmond upon Thames.

Each child will be participating in an hour session. During the session, the importance of staying close to an accompanying adult and knowing what to do when coming across roads and driveways will be emphasized.

The days for these sessions are as follows:

2D and 2J: Thursday 10th February

2T and 2W: Friday 11th February

Your child will need the use of a scooter for the training.

Please fill out this [eform](#) by **Friday 4th February** to indicate whether your child has a scooter they can bring on the day of their session or whether they will need to borrow one, and whether you are happy for your child's scooter to be borrowed by other children in the year group for their session.

Please note that the instructors will wipe down the scooter before and after use with antibacterial wipes if they are being borrowed by another child.

Please note that there should be no electric or adult scooters as they are not appropriate for use in a playground.

If you have indicated that your child is bringing a scooter, please can they bring it with them on the day of their session, clearly labelled with their full name and class. There will be a designated safe area for the scooters to be stored in the playground on these days.

Helmets are not compulsory but you may send one if you wish. Please ensure the helmet is labelled clearly with your child's name and class.

Thank you for your support.

The Year 2 Team
