Dear Year 2 Parents & Carers,

I hope you are all doing ok at this difficult time. It goes without saying how much I am missing seeing you all. I am so sad that we won't get the end to the school year, and our children's time at HISN that we all so wished we could have had. However, HISNA want to organise a few special things for our lovely Year 2 Leavers'. We can't have the usual party, entertainers, group activities, *BUT* some things we can do. **Hooray!** HISNA has historically covered most of the cost of the Leavers' events/items, and usually suggest a parent donation of £10 per child to cover a small percentage. We won't be asking for this this year but instead for a 'pay as you feel' contribution towards the cost of printing the T-Shirts. Please see more information as follows.

### Leavers' T-Shirts:

Last year, the Y2 children did a design for their very own Leavers' T-Shirt to keep as a memento of their time there. It has '**Hampton Infant School & Nursery Year 2 Graduation 2020**' printed on the front alongside a design that the child has done themselves. The back states '**Hampton Infant School & Nursery Leavers 2020**'. This is a fantastic keepsake, and the children love seeing their designs on the final garment!

The cost per T-Shirt is **£8.00**, and HISNA will purchase one for every child that sends their design. As mentioned, we will operate a 'pay as you feel' system for the T-Shirts only this year. So, if you want to pay the full amount of £8.00 you can (and we would really appreciate it as we have missed out on a huge amount on fundraising this year), but there are also options to pay £5.00 or £3.00 on the PTA events site. Please note that if you send a drawing to me from your child for the T- Shirt, they will receive their T-Shirt no matter what.

**The link for any payments is:**

<https://www.pta-events.co.uk/hisna/index.cfm?event=products#.XsY5j-R4WaM>

You need to follow this exact link to take you to the correct page on the site. If clicking on it doesn't work then copy and paste into your browser. Please IGNORE where it mentions 'delivery'.

### **Please see specifications as follows for your child's drawing:**

- The design must be done on A4 white paper.
- It can be portrait OR landscape.
- Any materials can be used to make their design but please no glitter or metallic as they don't reproduce well on the final T-Shirt.
- As a suggestion the design could reflect their time at the school.
- Please fill as much of the page as possible – the more colours the better!
- **Please write CLEARLY on the back:**
  - The size you wish to order, age 5-6 (26") OR age 7-8 (28"). If you need a different size then email the below HISNA email address but only if the sizes offered definitely aren't going to fit.
  - Your child's name.
  - Your child's class number and class name.
  - Contact email address and phone number.

**The above details are very important** as I will be organising distribution with the help of Class Reps, and in the event any T-Shirts are not collected I want to be able to get in touch to get it to you.

**Please then post them through my door (opposite school) at: 90 LINDEN RD, HAMPTON, TW122JB** (or liaise with your class rep/other parents to get them to me) by no later than **FRIDAY 12<sup>TH</sup> JUNE 2020** The payment site will continue to be live after this for a while.

**DO NOT** attempt to deliver them to the school. If you can't get to my address then please can you try and co-ordinate with your class rep or another parent. Please email me at [contacthisna@gmail.com](mailto:contacthisna@gmail.com) if you are having problems getting the drawing/ design to me as I may be able to help.

### Class Photos:

We are very lucky to have the continued support of our local businesses. Dan from 'DKClarke Photography' is kindly going to put together class photos. Last year the Leavers' had a whole year photo but unfortunately it's just not feasible this year.

I have included an example below of how we hope the final photo may look. Please see as follows what we need from you to be able to do this:

- Children to be in their school uniform.
- Make sure the photo is well lit (but not in direct sunlight).
- Take the photo in front of a plain background – white where possible.
- The photo needs to be in colour (not black and white).
- Portrait orientation only.
- Screen fill needs to be from your child's mid- thigh to a few inches above their head. If in doubt, leave more space around them rather than less.
- Turn OFF any 'touch-up'/enhancements, do not edit before sending.
- We thought it would be nice for the children to hold up a word of positivity or a word that might reflect their feelings about their time at the school. For ease, I suggest this is written on a piece of white A4 paper **folded in half lengthways**. Write the word large and clear in black felt tip so it stands out. Example here:

- Make sure your child's sign **IS NOT** in front of the logo on their jumper/cardigan.
- Only send ONE photo.
- Send it **full /actual size file**.
- Email your final photo to [contacthisna@gmail.com](mailto:contacthisna@gmail.com).
- **In the title of the email please include your childs full name, class number and class name.**
- **Please send them by FRIDAY 12<sup>TH</sup> JUNE 2020.**

If there are any issues with your photo I will get back in touch.

HISNA will purchase one copy for every child of their class photo. I will distribute via class reps or they can be collected from the same address as stated above for the T-Shirts.

### **Goody Bags:**

HISNA will be putting together a goody bag for each child. It will have some lovely keepsake items in plus messages from their teachers. Again, I will organise the best way to get these to everyone towards the end of term.

Finally, IF the Year 2 children manage to get any time back in school, HISNA will look into organising some special treats for them to enjoy with their teachers. But of course we need to wait until we know what is happening nearer the time.

Sorry for such a long and detailed letter but doing things remotely is logistically very tricky so I need to make sure everything is clear.

Thanks so much, and I look forward to receiving your photos and the children's drawings.

Take care,  
Kate & the HISNA team.
